RE: CD-67-22, *An Action Relating to Naabik'iyáti' Committee, and Navajo Nation Council; Approving the Navajo Nation Fiscal Recovery Fund Delegate Region Project Plan for Honorable Amber Kanazbah Crotty's Delegate Region (Chapters: Cove, Toadlena/Two Grey Hills, Red Valley, Tooh Haltsooi' (Sheepsprings), Tse' Alnaozt'i' i', Beclabito, Gadiiahi/To 'koi)*

Dear Speaker Tso,

The Nez/Lizer Administration appreciates the Chapters' endeavors to work collaboratively with their respective Council Delegate in completing the process to access funding made available with the \$211,256,148 allocated for regional expenditure plans under CJN-29-22.

The process to secure funding also involves collaborative efforts between the Chapters, the Division of Community Development, Navajo Nation Fiscal Recovery Fund (NNFRF) Office and the Navajo Nation Department of Justice (NNDOJ). Per BFS-31-21, each proposed expenditure must obtain NNDOJ verification that each proposed project is an eligible expense within ARPA/NNFRF regulations. Each of the projects within CD-67-22 has met all the requirements.

The ARPA/NNFRF process is still evolving since the inception of this funding. Within the United States Treasury and the Navajo Nation, processes have been updated at various times. An example is the Treasury guidelines referenced within Navajo Nation Council resolutions CJY-41-21 and CJN-29-22; the Treasury guidelines exhibit was updated by the United States Treasury on September 20, 2022. Accordingly, the legal guidance provided by NNDOJ and Office of Legislative Counsel is modified to comply with the Treasury guidelines.

One such modification of legal guidance involved the processing of regional expenditure plans. Originally, the guidance was that all projects had to equal \$8,802,340 to be considered as completed and ready for legislative action. This guidance was modified in December 2022 to allow partial funding of the \$8,802,340 allocations so that proposed ARPA/NNFRF projects ready for legislative action could be processed by Office of Legislative Counsel. Because of the time constraints for the 24th Navajo Nation Council to act on proposed legislation, programs did not have sufficient time to provide written verification to Chapters regarding the change in legal guidance.

Part 2. Expenditure Plan details.

(a) Describe the Program(s) and/or Project(s) to be funded, including how the funds will be used, for what purposes, the location(s) to be served, and what COVID-related needs will be addressed:

The purpose of this project is to avail the Cove community to a laundromat to clean clothing, bath towels and washcloths, dish and wash towels, bedding, and other personal sanitized items for every day use. This project will shorten the miles and timeframes for community members to access laundromats in nearby towns and municipalities thereby saving them laundromat fees and gasoline prices. The requested funds will be used to construct the laundromat and to install washers and dryers. The laundromat will serve all of the Cove community members and residents and provide the Senior Citizens Center's laundry needs.

☐ document attached

(b) Explain how the Program or Project will benefit the Navajo Nation, Navajo communities, or the Navajo People:

The proposed laundromat will provide and meet the Cove community members and the Senior Citizens Center their laundry needs to clean and sanitize their personal clothing, bath towels and washcloths, and other personal and household items. The pandemic illustrated the lack of non-laundry facilities and equipment to wash, cleanse, and sanitize personal and household items to insure community members' health and safety.

☐ document attached

(e) Explain who will be responsible for operations and maintenance costs for the Project once completed, and how such costs will be funded prospectively:

The Chapter Manager and Maintenance Worker will be responsible for the operations and maintenance of the completed facility. The proceeds from the collected laundromat fees will be use for maintenance and repairs with the chapter offsetting the costs with additional funds.

(f) State which of the 66 Fiscal Recovery Fund expenditure categories in the attached U.S. Department of the Treasury Appendix 1 listing the proposed Program or Project falls under, and explain the reason why:

- 1.12 - Other Public Health Services
- 2.13 Other Economic Support
- 3.13 - Social Determinants of Health: Other
- 6.1 Provision of Government Services

Project will deliver services relative to Other Public Health Services, Other Economic Support, Social Determinants of Health: Other, and Provision of Government Services to support COVID-19 sanitation and basic cleansing and sanitation needs, reduce individual vehicles expenditures to increase other economic expenditures for food and personal hygiene, and improve the community's quality-of-life outcomes and risks. The project will provide an immediate need for laundry services as Cove is a remote community and no private service provider is willing to initiate a laundromat soon to help our community combat the effects of COVID-19.
