SUBJECT: COVE CHAPTER TIRE SHOP PROJECT - \$100,000.00

On behalf of the Cove Chapter, we are respectfully requesting funds for planning, design and construction for Cove Chapter Tire Shop Project. Cove Chapter Government have been working diligently and collaborating to make this project a reality. This will also initiate the support of our local business and employment for our community and their families abroad, as we all know due to the limited Financial Resource; we have been requesting and seeking funds through the Navajo Nation Council to consider and approved our request. With the American Rescue Plan Act Funds (ARPA) is a onetime opportunity for our Chapter project to get funded.

In our Infrastructure Capital Improvement Plan (ICIP) 2021 - 2024 we have listed this project as a priority one. Since Cove Chapter community is located in remote and unique area, we would like to have our project become reality in having our own local tire Shop within the Chapter house tract area so our community and their families won't have to travel certain distance to get their tire fix and in the future we also considering opening a business doing rubber mats. With the Pandemic were are still encouraging our community to stay home as much as possible to stop the spread of the COVID-19 Virus, in that respect our request should be granted.

Your consideration and prioritizing this project will be greatly appreciated in advance. Contact me directly at (928) 653-5806 or my email address is [ljohnson-roy@navajochapters.org](mailto:ljohnson-roy@navajochapters.org). Thank you.
