- 8. In 1989, a resolution was passed by Navajo Nation Council requesting Chapter to establish such a site in Communities, yet no funding was allocated with the request; AND
- 9. Such establishment will help relieve scattered developments of family plots and family division regarding such family plots; AND
- 10. A growing concern is Cremation, and Families are sprinkling their loved one's ashes on the grounds near homesteads or places used by the general public. Traditionally, cremation is not practiced but due to the number of individuals who did not survive Covid-19, families have resorted to this practice due to no proper burial sites. A Cemetery establishment could possibly lessen cremation options by relatives.; AND
- 11. With the uncertainty of where or how Covid-19 may/may not progress, having a community cemetery readily available will provide proper burial for love ones and allow families/relative to grieve and pay respect; AND
- 12. Covid-19 has incited all Communities the critical need to establish a cemetery for use by all; AND
- 13. It is this type of rescue measures that the American Rescue Plan Act (ARPA) is awarded to resolve.

#### NOW THEREFORE BE IT RESOLVED THAT:

1. The Round Rock Chapter Government hereby approves and requests Navajo Nation Division of Community Development sincerely consider establishing Round Rock Community Cemetery, listed in the infrastructure Capital Improvement Plans (ICIP), and to fund \$6,500,000.00 using the American Rescue Plan (ARPA).
