# Re: Mexican Water Chapter Bathroom Addition Project

To: Leonora Henderson <[lhenderson@navajo-nsn.gov](mailto:lhenderson@navajo-nsn.gov)>;

Good morning,

This is in response to the questions you have for our FRF project on the bathroom additions.

1. What are the eligible criteria for a household to seek assistance?
  - We have two clients listed on the SDS listing with OEH, which will be assisted.
2. Will all those eligible receive assistance or will households be prioritized given limited resources?
  - The chapter will be assisting only those that are on the SDS listing with OEH.
3. Is there a maximum amount or limit that households will receive in terms of goods and services?
  - The chapter will be working with OEH on the project for the two clients and will be allocated between the two clients but estimated at \$40,000 each for each client.
4. Will households receive cash assistance or will the Chapter be responsible for providing goods and services.
  - The Chapter will work with OEH and they will work on the project. The contact person with OEH is Craig Ute. He has been informed that we are requesting these funds for the two clients.

I am hopeful that this answers the questions you have on our project. If you need further information or have any other questions, please contact us.

Thank you,

Phoebe Begay, Sr. Accountant

Good afternoon,

Yes as far as I know for the Mexican Water Chapter these two applicants are the only two homes that need a bathroom addition. Unless you know of more homes that we don't know about you could add them in and have them submit an application with us for waterline and sewer facilities service. One correction instead of Herman

Patterson replace his name with Sarah Saganey same location, same home. Any other questions please let me know.

Good afternoon,

Mexican Water Chapter is working on the budget for ARPA funding. We got a list that was issued by yourself of clients in need of bathroom addition. On that list there are 2 clients (Heather Atene and Herman Patterson. I wanted to make sure that this list is correct Are you able to send us a list with only the two name. Also I was informed that the project will be about \$40,000. Please verify these amounts for us. Your prompt attention to this matter would be greatly appreciated. Thank you.
