Part 2. Expenditure Plan details.

(a) Describe the Program(s) and/or Project(s) to be funded, including how the funds will be used, for what purposes, the location(s) to be served, and what COVID-related needs will be addressed:

The project will renovate homes for 26 families in the three communities of Whitehorse Lake Chapter. The homes have deteriorated as the homes were built over 30 years ago. During the COVID-19 pandemic needed renovation could not be addressed as repair crews were not allowed to physically go out to the homes for 3 years. In the meantime roofs, walls, windows, ceilings, interior walls, doors, closets, laundry rooms and regular living spaces have become health hazards are unsafe and rodents have in some cases invaded the whole home.

☐ document attached

(b) Explain how the Program or Project will benefit the Navajo Nation, Navajo communities, or the Navajo People:

The project will benefit at least 130 individuals many of which are children and elderly. The families will be more secure, healthy and safe. Educational endeavors for the children will be encouraged and the elderly will experience safety and security. Infection by current COVID-19 variants will be prevented plus seasonal cold viruses. Lessen visits to medical facilities will be realized thereby less costly expenses for the needy families.

☐ document attached

(c) A prospective timeline showing the estimated date of completion of the Project and/or each phase of the Project. Disclose any challenges that may prevent you from incurring costs for all funding by December 31, 2024 and/or fully expending funds and completing the Program(s) or Project(s) by December 31, 2026:

APPENDIX A

The project will begin 10-1-23. Current assessments will be rereviewed and field visits to the homes will be completed within 3 mos and contact with suppliers for materials will be done. Scheduling of material delivery will be completed within 6 mos and work crews will be organized by the chapter thru the use of PEP funds as well as supervision. Funds for costs to be incurred will be completed in 9 months and all funds will be encumbered by 12-1-24 and all funds expended by 12-2-26.

☐ document attached

(d) Identify who will be responsible for implementing the Program or Project:

Division of Community Development Navajo Nation and Whitehorse Lake Chapter will implement the project with the CSC, Chapter officials and the CLUPC committee will provide needed coordination, monitoring and reviews.

☐ document attached

(e) Explain who will be responsible for operations and maintenance costs for the Project once completed, and how such costs will be funded prospectively:

Individual homeowners will maintain operations and maintenance and related costs. Training in preventive maintenance will be coordinated thru NTU in Crownpoint, NM.

☐ document attached

(f) State which of the 66 Fiscal Recovery Fund expenditure categories in the attached U.S. Department of the Treasury Appendix 1 listing the proposed Program or Project falls under, and explain the reason why:

The project will fall under 3.12 Housing Support and Other Housing Assistance. Listing the project under this category is very appropriate as COVID-19 has severely impact efforts to repair needed repairs for 3 years. The structures for these homes being built over 30 years ago are in dire need of repairs for health and safety reasons. The majority of the homes affected house children and elderly. These groups of people are most vulnerable to diseases and infection. A primary concern is to ensure prevention, protection and security against this horrible disease, COVID-19 and its variants. Repairing these homes also provides employment opportunities for the unemployed in the Whitehorse Lake area that have had their jobs depleted by the pandemic. The sooner this can be done, the better.

RESOLUTION OF
WHITE HORSE LAKE CHAPTER
COMMITTEE LAND USE PLANNING COMMITTEE (CLUPC)
October 9, 2023

Resolution supporting the ARPA Home Improvement/Renovation for 26
homes in the amount of \$145,000.00

Whereas:

The Whitehorse Lake Chapter CLUPC Committee has been working eagerly to adhere to the Navajo Nation Title 26 1-GA. prepared Community Assessment.

The devastating effects of COVID-19 in our community have caused much loss of lives, business closures, school closures, food and housing insecurity, loss of jobs, unsafe home conditions, and economic impact.

The isolated communities of Whitehorse Lake were traumatized. Visitation between families and Neighbors stopped. When a loved one was medically airlifted it meant that the loved one was not coming home.

Slowly the community people started coming out, but the impact was great,

The Whitehorse Lake CLUPC committee members, the first responders, started going from home to home doing assessments. The community assessment was to help the Whitehorse Lake Chapter understand the needs and decide how to address these concerns.

The assessment involved (1) an evaluation of the current situation in a community, (2) a judgment of what the preferred or desired situation in that community would be, and (3) a comparison of the actual and desired situation to prioritize concerns. The assessments found families tend to house multiple generations under one roof, therefore putting everyone in the house at greater risk of contracting the virus, especially Elders.

As it is, many of the Elders are more susceptible to contracting COVID-19 on account of the high prevalence of chronic health conditions, such as diabetes, heart disease, obesity, asthma, and other respiratory illnesses. Further escalating the issue is the fact that roughly 80 percent of

residents have no access to running water making it difficult to follow federally recommended handwashing guidelines to limit the spread of coronavirus.

Whitehorse Lake Chapter has three (3) large land bases. Communities, because our chapters are 26 miles apart, although tribal leaders are taking aggressive steps to fight the spread of the virus within the Navajo community, there is still much that can be done to aid residents who have limited access to food, water, and medical care. Firstly, important is a safe home environment.

NOW THEREFORE BE IT RESOLVED

The Whitehorse Lake Chapter CLUPC committee Supports the ARPA Home Improvement/Renovation for 26 homes in the amount of \$145,000.00

CERTIFICATION

We hereby certify that the above-mentioned resolution was duly reviewed by the Community Land Use Planning Committee at a duly called meeting in Whitehorse Lake on October 9, 2023, at which a quorum was present and was approved by a vote of 17 in favor, 0 opposed, 1 abstained.
