**Other Comments:** Please separate into two submissions - one for affordable housing and one for housing assistance.

We also need additional information to determine if the proposed housing assistance and affordable housing are eligible uses. To assist us, please provide answers to the following questions in as much detail as possible and include any other relevant information, including any applications or other attachments:

1. What is the criteria to be approved for a new home or other assistance/how will recipients be selected? Please be specific, and include any family size and income limitations, as well as any other specific needs of the intended recipients.

2. Please describe in more detail the homes to be built, including square footage, number of bedrooms, etc.

3. Please describe how the estimated size and cost per home compares to homes in the area.

4. Please explain whether the home construction projects would qualify for any federally funded housing programs, including but not limited to the National Housing Trust Fund, Indian Housing Block Grant Program, the Indian Community Development Block Grant program, or the BIA Housing Improvement Program.

RE: Review of Tonalea Chapter's ARPA Packet

Dear Ms. Platero,

You have requested for additional information on our ARAP Packet. We have submitted our packet under, Title: 215 Long Term Housing Security Affordable Housing; 218 Housing Support: Other Housing Assistance.

**1. How will recipients be select?**

Tonalea Chapter is partnering with Choice Humanitarian, a non-profit 501 (c) (3) organization. An organization that helps to achieve a better quality of life. They are currently working with the Navajo Chapters from the Former Bennett Freeze Area ("FBFA"), affects nine (9) chapters in the Western Navajo Agency. Tonalea Chapter is one of the nine chapters. Choice Humanitarian utilize a software, KOBO Toolbox software in conducting assessment for the families residing on the Former Bennett Freeze Area. The same software can be used for the entire Tonalea community. We met with Choice Humanitarian and receiving training on how to utilize the software.

**2. What is the criteria to be approve for a new home or other assistance?**

Utilizing the KOBO toolbox to collect data, it can also be utilized to develop a priority list base on the survey. The Chapter wants to ensure that all individuals interviewed for home repairs/renovation/replacement are given the same questions, and it's their answers that will be used to establish the priority list. The software will determine the priority list for home repairs/renovations/replacements.

Tonalea Chapter Staff and Officials have gone through KOBO toolbox training for assessing the homes and edit the questionnaires and made it specifically for Tonalea. The questionnaires will be completed this week. The KOBO toolbox can be downloaded onto laptop, iPad and cell phone and utilize to conduct the assessment with the families. The interviewer does not need to have internet services at the time of interview, it can be uploaded and once the interviewer has internet, it will be uploaded to CLOUD for storages. Once it is uploaded to Cloud, the interviewer will not have accesses to the survey answers to the questions. The answers to the questionnaires are only available to the Chapter Administrative Staff. The assessments will not be shared with others without the permission from Tonalea Chapter.

**3. Please describe in more details the homes to be built, including square footage, number of bedrooms, etc.**

Based on the assessments, Tonalea Chapter would like to do repairs/renovation/replacements to existing homes. \$1,760,4638.00 is not enough to address the needs of constructing new homes. I understand the size of the homes is base of the size of the families. If a single home has 8 people, you need at least four-bedroom. We have to take into consideration of the material cost, transportation and delivery of lumbers, storage, and labor cost. According to HUD, minimum requirement for square footage to be legally called a bedroom is a minimum of 70 square feet of floor space. This translates to a room measuring 7-feet by 10-feet.

Part of Tonalea Chapter services area was partitioned to the Hopi Tribe. The families that ended on the Hopi Partitioned Lands ("HPL") relocated into Navajo Partitioned Lands ("NPL") and Big Navajo pursuant to the Navajo-Hopi Land Settlement Act of 1974. In 1974, the Settlement Act was intended to provide for the final settlement of a land dispute between the Navajo and Hopi tribes that originated nearly a century ago. The act also created the Office of Navajo Hopi Indian Relocation ("ONHIR") to carry out the relocation of Navajo and Hopi Indians off land partitioned to the other tribe.

The ONHIR office-built homes and it is expected that Tonalea Chapter build these homes with the ARPA funding. The funding is not enough to build Relocation type homes. Therefore, Tonalea Chapter is proposing to repairs/renovate/replacement of severely dilapidated homes.

**4. Please describe how the estimated size and cost per home compares to homes in the area?**

We have Navajo Housing Authority ("NHA") housing and Navajo Hopi Indian Relocation Housing within Tonalea Chapter services area. The approximate cost of these homes' ranges from \$200,000 to \$400,000 per homes, which includes appliance, waterline, electric line hook – up. Out in the remote area of the Tonalea, we do not have powerline and waterline extension. These homes were constructed by companies who are specialized in construction. Tonalea does not have a construction company, we would have to look within our own community to hire labors who are familiar with construction of homes. Hire a Project Manager, Senior Carpenter, Carpenters and general labors. Tonalea Chapter did not budget to hire personnel and we would have to look into our own Chapter budget to hire the personal.

**5. Please explain whether the home construction projects would qualify for any federally funded housing program, including not limited to the National Housing Trust Fund, Indian Housing Block Grant program, the Indian Community Development Block Grant program, or the BIA Housing Improvement Program.**

Tonalea Chapter is scheduling a work session on Housing that will include the Tonalea Chapter Officials, Staff, Division of Community Development-Community Housing Infrastructure Development, USDA Rural Development. We have missed the deadline to applied for Community Development Block Grant and Rural Development have grants and low interest rate loan for housing. Red Feather, a non-profit 501 (c) (3) also provides some housing repairs assistance. We hope to Partner with these groups to share some of the cost. Tonalea Chapter have some fundings, Housing Discretionary Funds to contribute toward the hosing projects. For the elderlies, we hope to partner with Tuba City Regional Health Care Corporation- for Independent Living, for elderlies that may need ramps and rails for their homes.

Tonalea Chapter has (4) four different land status, 1) Former Bennett Freeze Area, 2) Navajo Partitioned Land, 3) Hopi Partitioned Land and 4) Big Navajo Reservation. The type of soil we have in Tonalea is sandy, green clay, and red clay. The soil itself is not stable, the sand moves with the wind, once the green and red clay gets wet, it expands, continuously moving. With the land continuously moving, it will create cracks in the homes. I believed that the soil has to be stabilized.

I believed that the title that we used for our ARPA funding, 215 Long Term Housing Security Affordable Housing; 218 Housing Support: Other Housing Assistance may not be the appropriate title for our projects. We want to renovate/repairs/replacement of existing homes base on the assessment, if the homes require a replacement, then we need to take the necessary steps to rebuilt their homes. Originally, we had budgeted for Personal, but it was recommended by our Delegate that we take that out. I would like to make the request to include funds for personnel.

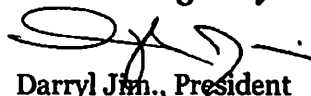

We look forward to a positive response to our application and if we need to make the necessary changes to our application, we will work on it and resubmit our ARPA application. Thank you.

(a) Describe the Program(s) and/or Project(s) to be funded, including how the funds will be used, for what purposes, the location(s) to be served, and what COVID-related needs will be addressed:

Housing replacement/renovation project will be located within Tonalea Chapter services area, Former Bennett Freeze Area. The Project will be funded with ARPA funding. By providing replacement and renovation of homes, the homes will be structurally sound, safe and sanitary for the families. This will also alleviate and prevention of COVID 19 and respiratory infections with the families.

(c) A prospective timeline showing the estimated date of completion of the Project and/or each phase of the Project. Disclose any challenges that may prevent you from incurring costs for all funding by December 31, 2024 and/or fully expending funds and completing the Program(s) or Project(s) by December 31, 2026:

Tonalea Chapter will hire a Project Manager and Senior Carpenter for the project. The Chapter Manager and Chapter Officials will provide the necessary support and work with the Project Manager and the Senior Carpenter until the project is completed.

When the replacements and renovation of homes are completed, it will be turn over the families, who are the owner of the homes, the families will be responsible for the operation and maintenance of their homes. The Tonalea Chapter will not be responsible for operation and maintenance of the individuals/families homes.

2.15 Long Term Housing Security Affordable Housing: The Secretary of Interior of the United States had imposed construction freeze on the Former Bennett Freeze Area ("FBFA") since 1934. This was further enforced by the US District Court, whereas the Courts determined that the Navajo families had to submit an application for construction to the Hopi Tribe. If the applications were denied, they were appeal in the US District Court. This was a lengthy process for repairs to individuals families. The Bennett Freeze was lifted in 2007, therefore the families were able to make repairs to their home. Due to the severe dilapidated homes and the cost to replace the homes, become impossible.

2.18 Housing Support: Other Housing Assistance: Many of our community members are low income, and they do not have resources to replace their homes. Tonalea Chapter will assist the families with renovating their existing homes, which will consist of roof replacement, repairs to exterior/interior walls, floors, replacement of doors and windows.
