Other Comments: FRF can be used for consultant fees in order to support effective management and oversight of FRF spending. This includes fees for ensuring compliance with legal, regulatory, and other requirements. However, the proper expenditure code is 7.1 - Administrative Expenses.

Please note: Under Treasury rules the compensation paid to consultants must be reasonable under 2. CFR § 200.404 - that is the amount paid should not exceed what a prudent person would pay. In addition, the Chapter must ensure that its hiring of a consultant does not violate any conflict-of-interest policies, which requires that the hiring decision must be free of undisclosed person or organizational interest.
