Other Comments: Please note that we have modified the expenditure category to 6.1 (Government Services), as category 1.7 (Capital Investments or Physical Plant Changes to Public Facilities that respond to the COVID-19 public health emergency) is no longer a valid code, and since given the intended uses of the warehouse, the government services category is a better fit for the Project.

As well, please note that the DOJ review notes a discrepancy between the warehouse description in the Appendix A documents (a 4-bay warehouse) and that listed in the Chapter resolution (a 3-bay warehouse).
