RE: CAP-13-23 An Action Relating to the Naabik'iyáti' Committee and Navajo Nation Council; Approving the Navajo Nation Fiscal Recovery Fund Delegate Regional Project Plan for Honorable Shaandiin Parrish's Delegate Region (Chapters: Chilchinbeto, Dennehotso, Kayenta)

Dear Speaker Curley,

I am pleased to sign into law this resolution CAP-13-23 approving the Fiscal Recovery Funds Delegate Regional Project Plan for Honorable Parrish's Delegate Region in the amount of \$5,150,673.65.

My Administration supports the plans of these Chapters who have worked very hard to put together their Regional Plans and is working very closely with the Fiscal Recovery Fund Office to ensure that these funds are put to use. As such, when Chapters are running into roadblocks in expending their Fiscal Recovery Funds and the roadblock is coming from the Executive Branch, I encourage them to reach out to the Office of the President and Vice President and inform my office of the roadblock and we will work to overcome those roadblocks.

I do want to take the moment to express my concern that any amendments to the Regional Plans must be approved by the Council. In addition, the prior Navajo Nation Council has set the expectation that Fiscal Recovery Funds be encumbered by June 30, 2024. This deadline is not far off. As a construction expert, I know that there are unpredictable factors that can prevent even the best of plans from moving forward on the proposed timeline. We should be designing systems that are flexible, accountable, and transparent. We do not currently have that system and I look forward to working with you and the entire Council to improve the Navajo Nation systems, so we are supporting our communities to take advantage of this historic funding.

Now let's get to work!

Sincerely,

Dr. Buu Nygren, President
THE NAVAJO NATION

Response:

1. What are the criteria to be approved for new home/ how were/ Will the 8 recipients be selected?
The potential homeowners will fill out an application similar to the Discretionary application. It will include
 - a. APPLICATION (Which will be approved with a resolution)
 - a. Name SS#, CC#, Number of people living in home. If they have electricity, sewer, septic, shower, type of water system. Number of bedroom and bathrooms in house. If they have homesite lease. If any household members have health conditions. Statement of current living conditions.
 - b. INCOME VERIFICATION STATEMENT
 - c. AUTHORIZED FOR RELEASE OF INFORMATION
 - d. MAP OF RESIDENCY
 - e. HOME SITE LEASE
 - f. COPY OF APPLICANT CERTIFICATE OF INDIAN BLOOD
 - g. COPY OF APPLICANT SOCIAL SECURITY CARD
 - h. NAVAJO NATION VOTERS REGISTRATION
 - i. REFERRALS FROM PHYSICIANS, SOCIAL WORKER, CHR & ETC. (if applicable)
 - j. PICTURE OF CURRENT LIVING CONDITIONS
2. Please describe in more details the home to be built, including square footage, number of bedrooms, etc. and how the size of home selected for each recipient will be determined (Based on family size).

After selecting quotes from 3 viable sources. Homes Direct of Farmington is selected. Homes are modular homes (trailers) Each will be built and distributed to selected individuals who match the requirement for home selection from the application that is submitted by the applicant.

- a. (1) 4 bedroom / 2 bath = 76 (L)x27 (W)= 2052 square feet.
 - b. (3) 2 bedroom/ 2 bath= 68 (L)x 16(w)= 1088 Square feet.
 - c. (4) 2 bedroom/ 2 bath = 76 (L) x 16 (w) = 1216 square feet.
3. Please describe how the estimated size and cost per home compares to homes in the area these homes will be located.

COVID Impact

The above-mentioned homes were selected to house one family. The COVID pandemic revealed that multiple families lived in 1-2 bedroom housing units, which allowed for quick spread of the COVID-19 virus. The current status of housing units within the Dennehotso chapter that are not NHA or school housing are older home units with many homes needing repairs. Additionally, those homes are without utility, water and sewer. Outhouses and port-a-potties are used at these units. There is not a record of appraisals for these units so providing a housing cost is not available. However, we can provide a median list price for housing units within Apache County. Dennehotso Chapter is located within Apache County.

APACHE COUNTY MEDIAN HOME PRICE

Based on Rockethomes.com, the median list price within Apache County for a 2-bedroom unit is \$322,000 and a 3-bedroom unit is \$854,000. These are housing units located outside of the boundaries of the Navajo Nation but located within the State of Arizona's Apache County. Within the Dennehosto Chapter area, there is no real land sales nor are there any home units posted for sale. Dennehotso Chapter is located within the boundaries of the Navajo Nation and a part of the State of Arizona's Apache County. Navajo Nation land is held in trust with the federal government.

DENNEHOTSO CHAPTER HOME DISTRIBUTION

The housing makes up within the Dennehosto Chapter consists of family homes, Navajo Housing Authority (NHA) homes and school district homes. The local churches have homes for their church leaders. The family homes in the Dennehosto Chapter area are considered to be in poor, dilapidated condition. The family home can be a traditional hogan, mobile home or single-story wood-built units.

Other families live in NHA homes that are income-based. Renter must qualify as low-income. Rent is based on income. Most, if not all, are occupied or under renovation. The NHA housing units are repaired and maintained by NHA employees.

The local boarding school does offer school housing for school employees. Employees can be teachers, administrators, and non-certified personnel. Repair and maintenance are conducted by school employees.

Those homes that are not under NHA control or within the local school boundary are mobile homes and older home structures that are 1-2 bedroom. These homes are repaired and maintained by the owner. Given the lack of jobs in the region, the homeowners often are regarded as low-income and struggle with basic repairs and maintenance. Over time, those homes become dilapidated but remain occupied by families. Dennehotso Chapter has a population of 746 according to 2010 census bureau.

4. Please explain whether the home construction projects will qualify for any federally funded housing programs, including but not limited to the National Housing Trust Fund, Indian Housing Block Grant programs, the Indian Community Development Block Grant program, or the Bureau of Indian Affairs Housing Improvement Program.

The home construction projects would most likely qualify for federally funded housing programs however federal housing funds are sought by the Navajo Nation's Tribally Designated Housing Entity (TDHE). The Navajo Housing Authority is the TDHE for the Navajo Nation. As such, this particular housing project would be decided by the Navajo Housing Authority and most likely would not be completed as the Navajo Housing Authority has housing projects that cover the entire Navajo Nation, a boundary that rivals the State of West Virginia. Any project would take years to generate, construct and complete. Dennehosto Chapter does not favor this path.
