RE: CD-70-22, *An Action Relating to the Naabik'iyáti' Committee, and the Navajo Nation Council; Approving the Navajo Nation Fiscal Recovery Fund Delegate Region Project Plan for Honorable Eugene Tso's Delegate Region (Chapter: Chinle)*

Dear Speaker Tso,

The Nez/Lizer Administration supports the Chapters' endeavors to work collaboratively with their respective Council Delegate in completing the process to access funding made available with the \$211,256,148 allocated for regional expenditure plans under CJN-29-22.

The process to secure funding also involves collaborative efforts between the Chapters, the Division of Community Development, Navajo Nation Fiscal Recovery Fund (NNFRF) Office and the Navajo Nation Department of Justice (NNDJ). Per BFS-31-21, each proposed expenditure must obtain NNDJ verification that each proposed project is an eligible expense within ARPA/NNFRF regulations. Each of the projects within CD-70-22 has met all the requirements.

The ARPA/NNFRF process is still evolving since the inception of this funding. Within the United States Treasury and the Navajo Nation, processes have been updated at various times. An example is the Treasury guidelines referenced within Navajo Nation Council resolutions CJY-41-21 and CJN-29-22; the Treasury guidelines exhibit was updated by the United States Treasury on September 20, 2022. Accordingly, the legal guidance provided by NNDJ and Office of Legislative Counsel is modified to comply with the Treasury guidelines.

One such modification of legal guidance involved the processing of regional expenditure plans. Originally, the guidance was that all projects had to equal \$8,802,340 to be considered as completed and ready for legislative action. This guidance was modified in December 2022 to allow partial funding of the \$8,802,340 allocations so that proposed ARPA/NNFRF projects ready for legislative action could be processed by Office of Legislative Counsel. Because of the time constraints for the 24th Navajo Nation Council to act on proposed legislation, programs did not have sufficient time to provide written verification to Chapters regarding the change in legal guidance.

Pursuant to the authority vested in the Navajo Nation President, I am signing Resolution CD-70-22 into law.

THE NAVAJO NATION

JONATHAN NEZ | PRESIDENT MYRON LIZER | VICE PRESIDENT

Sincerely,

Jonathan Nez, *President*

Dear Honorable Leaders:

The Day At A Time Club, Inc. (DAATC) is very appreciative of your Chapter's support for ARPA Funding for the Fort Defiance and Chinle Recovery Centers for a two (2) year period. The proposal is for \$779,736.00 that was proposed and submitted on May 27, 2021 to address issues related to the COVID-19 Pandemic. We are all aware that the Inflation and Consumer Price AIndex has reached alarming high levels and we would ask for a consideration to reflect a 15% inflationary Cost, if possible. The overall projected cost now will be (which was unforeseen) for Construction/Renovation only is \$170, 200.00 from \$148,000.00 or an increase of \$22,200.00.

DAATC respectfully request of \$250,000.00 from each Delegate Region and the balance of \$301,936.00 will the requested of President Jonathon Nez that will include the difference of \$22,200.00. DAATC has been in similar discussions with Council Delegate Eugene Tso and Chinle Chapter for the request for match funding.

DAATC will continue to work closely with the Navajo Nation Department of Health, the affected Chapters and other entities to ensure a collaborative and coordinated process to address Alcoholism and Drug Abuse problems and Recovery Processes.

Mission: The mission of the Day at a Time Club, Inc. is to promote healing and wellness to residents of the Navajo Nation by providing high quality substance abuse prevention, treatment and recovery services while integrating cultural and spiritual traditions as tools to remedy the all too prevalent problem of alcohol and substance abuse among our Navajo People.

Your Consideration and assistance in this matter will be greatly appreciated. Should you have any questions, please call me at 928-729-5931 (DAATC) or my cell number at 928-380-8390.

The Hon. Mr. Nez, The Hon. Mr. Tso, The Hon. Mr. Stewart and The Hon. Dr. Jim,

Pursuit to our discussions, DAATC is respectfully requesting that the ARPA Grant Proposal for the Chinle/Fort Defiance Recovery Centers be split half and half with your Districts funding formula, should the Navajo Nation Council decide to proceed with the Equitable Distribution. The first year funding request is \$463,868.00 and second year is \$315,868.00. 50% would be \$389,868.00. Overall total is \$779,736.00.

The other issue that requires immediate attention is the oversight question mentioned by the Department of Justice. At our meeting with Honorable President Nez and his Executive Branch Team. I requested assistance in identifying and obtaining the proper oversight designation. During the meeting, President Nez had requested that Navajo Nation Department of Health to assist DAATC in this matter, hence this request.

All other issues raised by the Department of Justice have been addressed. We have also attached the Grant Proposal Package for your information with the Updated Information.

Should you have any questions, Please feel free to inquire at 928-380-8390.
