RE: CD-70-22, *An Action Relating to the Naabik'iyáti' Committee, and the Navajo Nation Council; Approving the Navajo Nation Fiscal Recovery Fund Delegate Region Project Plan for Honorable Eugene Tso's Delegate Region (Chapter: Chinle)*

Dear Speaker Tso,

The Nez/Lizer Administration supports the Chapters' endeavors to work collaboratively with their respective Council Delegate in completing the process to access funding made available with the \$211,256,148 allocated for regional expenditure plans under CJN-29-22.

The process to secure funding also involves collaborative efforts between the Chapters, the Division of Community Development, Navajo Nation Fiscal Recovery Fund (NNFRF) Office and the Navajo Nation Department of Justice (NNDJ). Per BFS-31-21, each proposed expenditure must obtain NNDJ verification that each proposed project is an eligible expense within ARPA/NNFRF regulations. Each of the projects within CD-70-22 has met all the requirements.

The ARPA/NNFRF process is still evolving since the inception of this funding. Within the United States Treasury and the Navajo Nation, processes have been updated at various times. An example is the Treasury guidelines referenced within Navajo Nation Council resolutions CJY-41-21 and CJN-29-22; the Treasury guidelines exhibit was updated by the United States Treasury on September 20, 2022. Accordingly, the legal guidance provided by NNDJ and Office of Legislative Counsel is modified to comply with the Treasury guidelines.

One such modification of legal guidance involved the processing of regional expenditure plans. Originally, the guidance was that all projects had to equal \$8,802,340 to be considered as completed and ready for legislative action. This guidance was modified in December 2022 to allow partial funding of the \$8,802,340 allocations so that proposed ARPA/NNFRF projects ready for legislative action could be processed by Office of Legislative Counsel. Because of the time constraints for the 24<sup>th</sup> Navajo Nation Council to act on proposed legislation, programs did not have sufficient time to provide written verification to Chapters regarding the change in legal guidance.

Pursuant to the authority vested in the Navajo Nation President, I am signing Resolution CD-70-22 into law.

(a) Describe the Program(s) and/or Project(s) to be funded, including how the funds will be used, for what purposes, the location(s) to be served, and what COVID-related needs will be addressed:

Chinle Chapter Government Warehouse Project includes construction of a new warehouse. The funds will be used to prepare the project site, purchase a building, and the construction of the building. The warehouse will be located on the Chinle Chapter counpound. The proposed use of the warehouse is to assist our community members with their health, safety, and welfare concerns: to house construction materials for community (bathroom) projects, heavy equipment storage, firewood storage, hay and grain storage, tool and equipment storage, refrigeration section for community food supply, and COVID-19 materials (masks, hand sanitizer) storage.  document attached

(b) Explain how the Program or Project will benefit the Navajo Nation, Navajo communities, or the Navajo People:

The Chinle Chapter Government Warehouse Project would benefit the Navajo Nation, Chinle community, and our Navajo people by providing solutions for any emergency response for the Chinle Chapter and surrounding communities. The proposed warehouse would be able to properly store, organize, and distribute materials and supplies to our community members.  document attached

Chinle Chapter has been the centralized Point of Distribution (POD) during the height of the COVID-19 pandemic; serving surrounding communities supplies (hand sanitizer, masks, disinfecting supplies, food, water, and other necessities). During this time, Chinle Chapter stored all materials and supplies in the Chinle Chapter house and storage was limited to the Chapter house room. In serving over 10,000 community members, the Chapter needs a organized and safe space to organize and distribute supplies. This would require additional building space, in which, the community will be able to access store supplies and materials for their households.
