RE: *CJY-56-23 An Action Relating to the Naabik'iyáti' Committee and Navajo Nation Council; Amending CD-69-22 and the Navajo Nation Fiscal Recovery Fund Delegate Region Project Plan for Honorable Cherilyn Yazzie's Delegate Region (Chapters: Dilkon, Indian Wells, Teesto, Whitecone, Greasewood Springs)*

Dear Speaker Curley,

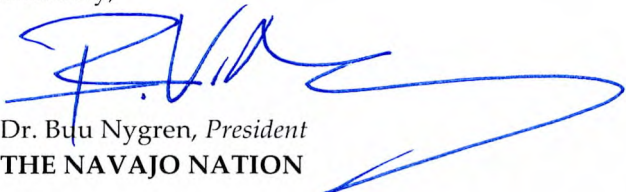

I am pleased to sign into law this resolution CJY-56-23 approving the Fiscal Recovery Funds Delegate Regional Project Plan for Honorable Yazzie's Delegate Region in the amount of \$3,160,468.

My Administration supports the plans of these Chapters who have worked very hard to put together their Regional Plans and is working very closely with the Fiscal Recovery Fund Office to ensure that these funds are put to use. As such, when Chapters are running into roadblocks in expending their Fiscal Recovery Funds and the roadblock is coming from the Executive Branch, I encourage them to reach out to the Office of the President and Vice President and inform my office of the roadblock and we will work to overcome those roadblocks.

I do want to take the moment to express my concern that any amendments to the Regional Plans must be approved by the Council. In addition, the prior Navajo Nation Council has set the expectation that Fiscal Recovery Funds be encumbered by June 30, 2024. This deadline is not far off. As a construction expert, I know that there are unpredictable factors that can prevent even the best of plans from moving forward on the proposed timeline. We should be designing systems that are flexible, accountable, and transparent. We do not currently have that system and I look forward to working with you and the entire Council to improve the Navajo Nation systems, so we are supporting our communities to take advantage of this historic funding.

Now let's get to work!

Sincerely,

Dr. Buu Nygren, *President*

RE: CD-69-22, *An Action Relating to the Naabik'iyáti' Committee and Navajo Nation Council; Approving the Navajo Nation Fiscal Recovery Fund Delegate Region Project Plan for Honorable Elmer P. Begay's Delegate Region (Chapters: Dilkon, Indian Wells, Teesto, Whitecone, Greasewood Springs)*

Dear Speaker Tso,

The Nez/Lizer Administration appreciates the Chapters' endeavors to work collaboratively with their respective Council Delegate in completing the process to access funding made available with the \$211,256,148 allocated for regional expenditure plans under CJN-29-22.

The process to secure funding also involves collaborative efforts between the Chapters, the Division of Community Development, Navajo Nation Fiscal Recovery Fund (NNFRF) Office and the Navajo Nation Department of Justice (NNDJOJ). Per BFS-31-21, each proposed expenditure must obtain NNDJOJ verification that each proposed project is an eligible expense within ARPA/NNFRF regulations. Each of the projects within CD-69-22 has met all the requirements.

The ARPA/NNFRF process is still evolving since the inception of this funding. Within the United States Treasury and the Navajo Nation, processes have been updated at various times. An example is the Treasury guidelines referenced within Navajo Nation Council resolutions CJY-41-21 and CJN-29-22; the Treasury guidelines exhibit was updated by the United States Treasury on September 20, 2022. Accordingly, the legal guidance provided by NNDJOJ and Office of Legislative Counsel is modified to comply with the Treasury guidelines.

One such modification of legal guidance involved the processing of regional expenditure plans. Originally, the guidance was that all projects had to equal \$8,802,340 to be considered as completed and ready for legislative action. This guidance was modified in December 2022 to allow partial funding of the \$8,802,340 allocations so that proposed ARPA/NNFRF projects ready for legislative action could be processed by Office of Legislative Counsel. Because of the time constraints for the 24th Navajo Nation Council to act on proposed legislation, programs did not have sufficient time to provide written verification to Chapters regarding the change in legal guidance.

THE NAVAJO NATION

JONATHAN NEZ | PRESIDENT MYRON LIZER | VICE PRESIDENT

Pursuant to the authority vested in the Navajo Nation President, I am signing Resolution CD-69-22 into law.

Sincerely,

Jonathan Nez, *President*

Title of Project: Home Repair/Renovation

RFS/HK Review: HK0242

Amount of Funding Requested: \$1,400,000.00

Additional Information Requested:

- 1. What kind of home repair/improvement projects will the project provide?**
Repairs/improvements will be at the discretion of the home owner based on the amount available per home. Repairs are subject to minor improvements to assist as many community members as possible. Any indoor and outdoor repairs within the budget will be allowed. Window replacements, door replacements, drywall repairs, floor tile repairs, roofing/ceiling repairs/improvements would be examples of what each applicant/home owner would get assisted with.
- 2. How does someone qualify for a home improvement/renovation project?**
All community members that currently own a home will be eligible for assistance. A few qualifications that were considered are being a registered voter of Greasewood Springs Chapter, having an approved Homesite Lease, ownership of a NHA House or JUA House. These qualifications are still subject to change based on DOJ Approval. The chapter will use their Housing Improvement Program Application that was developed. Attached as reference.
- 3. Approximately how many homes will be improved/renovated through the project?**
Based on a rough estimate and collaboration with officials and Community Health Representative, **400** homes will be assisted at **\$3,525.00** per home in assistance for repairs and improvements.
- 4. Are there any limitations on the types of home improvement/renovation projects covered by the project and/or the dollar amounts involved?**
Repair/renovation improvements will be up to the homeowner's discretion since all homes will be allocated equal distribution of funds. Any expenses in repairs/renovation materials accumulated over the allowed budget will be the responsibility of the homeowner. The Chapter will not allow home improvement/renovation for rental units, homes without a legal Homesite Lease from the Navajo Nation General Land Department and homes with unstable foundations.

Item 3, below, provides that 400 homes will be eligible for assistance, which means the chapter needs a plan to determine which homes will qualify. Please indicate the criteria the chapter will use to make that determination. Resolution BFS-31-21 only allows for a second review, but not a third, so this document needs to be as comprehensive as possible, or the project will not be determined eligible.
