RE: *CJY-63-23 An Action Relating to the Naabik'iyáti' Committee and Navajo Nation Council; Amending CD-62-22 and the Navajo Nation Fiscal Recovery Fund Delegate Region Project Plan for Honorable Crystalyne Curley's Delegate Region (Chapters: Tachee/Blue Gap, Many Farms, Nazlini, Tselani/Cottonwood, Low Mountain)*

Dear Speaker Curley,

I am pleased to sign into law this resolution CJY-63-23 approving the Fiscal Recovery Funds Delegate Regional Project Plan in the amount of \$3,118,598.

My Administration supports the plans of these Chapters who have worked very hard to put together their Regional Plans and is working very closely with the Fiscal Recovery Fund Office to ensure that these funds are put to use. As such, when Chapters are running into roadblocks in expending their Fiscal Recovery Funds and the roadblock is coming from the Executive Branch, I encourage them to reach out to the Office of the President and Vice President and inform my office of the roadblock and we will work to overcome those roadblocks.

I do want to take the moment to express my concern that any amendments to the Regional Plans must be approved by the Council. In addition, the prior Navajo Nation Council has set the expectation that Fiscal Recovery Funds be encumbered by June 30, 2024. This deadline is not far off. As a construction expert, I know that there are unpredictable factors that can prevent even the best of plans from moving forward on the proposed timeline. We should be designing systems that are flexible, accountable, and transparent. We do not currently have that system and I look forward to working with you and the entire Council to improve the Navajo Nation systems, so we are supporting our communities to take advantage of this historic funding.

Now let's get to work!

Sincerely,

Dr. Buu Nygren, *President*

RE: CD-62-22, *An Action Relating to the Naabik'iyáti' Committee and Navajo Nation Council; Approving the Navajo Nation Fiscal Recovery Fund Delegate Region Project Plan for Honorable Kee Allen Begay, Jr.'s Delegate Region (Chapters: Tachee/Blue Gap, Many Farms, Nazlini, Tselani/Cottonwood, Low Mountain)*

Dear Speaker Tso,

The Nez/Lizer Administration appreciates the Chapters' endeavors to work collaboratively with their respective Council Delegate in completing the process to access funding made available with the \$211,256,148 allocated for regional expenditure plans under CJN-29-22.

The process to secure funding also involves collaborative efforts between the Chapters, the Division of Community Development, Navajo Nation Fiscal Recovery Fund (NNFRF) Office and the Navajo Nation Department of Justice (NNDOJ). Per BFS-31-21, each proposed expenditure must obtain NNDOJ verification that each proposed project is an eligible expense within ARPA/NNFRF regulations. Each of the projects within CD-62-22 has met all the requirements.

The ARPA/NNFRF process is still evolving since the inception of this funding. Within the United States Treasury and the Navajo Nation, processes have been updated at various times. An example is the Treasury guidelines referenced within Navajo Nation Council resolutions CJY-41-21 and CJN-29-22; the Treasury guidelines exhibit was updated by the United States Treasury on September 20, 2022. Accordingly, the legal guidance provided by NNDOJ and Office of Legislative Counsel is modified to comply with the Treasury guidelines.

One such modification of legal guidance involved the processing of regional expenditure plans. Originally, the guidance was that all projects had to equal \$8,802,340 to be considered as completed and ready for legislative action. This guidance was modified in December 2022 to allow partial funding of the \$8,802,340 allocations so that proposed ARPA/NNFRF projects ready for legislative action could be processed by Office of Legislative Counsel. Because of the time constraints for the 24th Navajo Nation Council to act on proposed legislation, programs did not have sufficient time to provide written verification to Chapters regarding the change in legal guidance.

THE NAVAJO NATION

JONATHAN NEZ | PRESIDENT MYRON LIZER | VICE PRESIDENT

Pursuant to the authority vested in the Navajo Nation President, I am signing Resolution CD-62-22 into law.

Sincerely,

Part 2. Expenditure Plan details.

(a) Describe the Program(s) and/or Project(s) to be funded, including how the funds will be used, for what purposes, the location(s) to be served, and what COVID-related needs will be addressed:

The project objective is to complete the renovation of the 30' x 30' chapter administration building. The funds will be used to complete the roofing, install interior concrete slab, finish flooring, insulation and wall/ceiling finish, painting, heating/cooling wall mount systems, interior wiring, restrooms, cabinetry, lighting, doors, and drain line. The purpose in completing the building is to improve accessibility and enable staff to provide direct services relating to COVID-19 needs of the Blue Gap/Tachee community members. The COVID-19 related needs that will be addressed include logistical support, mitigating, preparing, responding, and recovering from emergency situations resulting from COVID-19 (i.e. distributing PPE and other essential items, assisting with forms, etc.) document attached

(b) Explain how the Program or Project will benefit the Navajo Nation, Navajo communities, or the Navajo People:

The Blue Gap community lacks immediate access to basic necessities i.e., paved roads, phone services, broadband, transportation, accessibility during adverse weather conditions, etc. The administration building can serve as the center for Blue Gap/Tachee community members to access available resources and seek relief from the chapter administration staff. The project will benefit the community by providing an array of services, such as telecommunications, improved roads, etc. document attached

(c) Provide a prospective timeline showing the estimated date of completion of the Project and/or each phase of the Project. Disclose any challenges that may prevent you from incurring costs for all funding by December 31, 2024 and/or fully expending funds and completing the

Program(s) or Project(s) by December 31, 2026:

Project will immediately be advertised for bids when funds become available and completed within 8 months after project award to a certified contractor. Budget forms will be adjected to conform with the project award and schedule. Monthly project progress meetings will be held to ensure completion within the established timeline.

document attached

(d) Identify who will be responsible for implementing the Program or Project:

The Chapter administration staff will be tasked with ensuring procurement procedures are followed and monitoring project progress. Staff will collaborate with the contractor to ensure timelines are followed and that all work activities are in compliance with established agreement terms and conditions.

document attached

(e) Explain who will be responsible for operations and maintenance costs for the Project once completed, and how such costs will be funded prospectively:

The Blue Gap Chapter will be responsible for the maintenance and upkeep of the facility once it's completed. Routine maintenance will be provided by the Public Employment Program (PEP) workers and more technical services will be provided by licensed contractors.

document attached

(f) State which of the 66 Fiscal Recovery Fund expenditure categories in the attached U.S. Department of the Treasury Appendix 1 listing the proposed Program or Project falls under, and explain the reason why:

Categories: Revenue Replacement: 6.1 Provision Government Services

Pursuant to the established guidelines and funding objectives, the chapter administration building will enable staff to address and provide improved direct services for community members seeking COVID-19 related services which are now being rendered out of the chapter house. Currently, the chapter house is not in compliance with ADA standards and cannot accommodate a large capacity which causes staff to meet with community members outside. Without adequate facilities, staff are limited in rendering efficient and quality services, leaving community members to endure hardship. A renovated administration building will improve the staff's ability to communicate information, distribute essential items, share resources, assist and advocate for community members in need of housing, transportation, health, and other related services.
