RE: *CJY-63-23 An Action Relating to the Naabik'iyáti' Committee and Navajo Nation Council; Amending CD-62-22 and the Navajo Nation Fiscal Recovery Fund Delegate Region Project Plan for Honorable Crystalyne Curley's Delegate Region (Chapters: Tachee/Blue Gap, Many Farms, Nazlini, Tselani/Cottonwood, Low Mountain)*

Dear Speaker Curley,

I am pleased to sign into law this resolution CJY-63-23 approving the Fiscal Recovery Funds Delegate Regional Project Plan in the amount of \$3,118,598.

My Administration supports the plans of these Chapters who have worked very hard to put together their Regional Plans and is working very closely with the Fiscal Recovery Fund Office to ensure that these funds are put to use. As such, when Chapters are running into roadblocks in expending their Fiscal Recovery Funds and the roadblock is coming from the Executive Branch, I encourage them to reach out to the Office of the President and Vice President and inform my office of the roadblock and we will work to overcome those roadblocks.

I do want to take the moment to express my concern that any amendments to the Regional Plans must be approved by the Council. In addition, the prior Navajo Nation Council has set the expectation that Fiscal Recovery Funds be encumbered by June 30, 2024. This deadline is not far off. As a construction expert, I know that there are unpredictable factors that can prevent even the best of plans from moving forward on the proposed timeline. We should be designing systems that are flexible, accountable, and transparent. We do not currently have that system and I look forward to working with you and the entire Council to improve the Navajo Nation systems, so we are supporting our communities to take advantage of this historic funding.

Now let's get to work!

Sincerely,

Dr. Buu Nygren, President

RE: CD-62-22, *An Action Relating to the Naabik'iyáti' Committee and Navajo Nation Council; Approving the Navajo Nation Fiscal Recovery Fund Delegate Region Project Plan for Honorable Kee Allen Begay, Jr.'s Delegate Region (Chapters: Tachee/Blue Gap, Many Farms, Nazlini, Tselani/Cottonwood, Low Mountain)*

Dear Speaker Tso,

The Nez/Lizer Administration appreciates the Chapters' endeavors to work collaboratively with their respective Council Delegate in completing the process to access funding made available with the \$211,256,148 allocated for regional expenditure plans under CJN-29-22.

The process to secure funding also involves collaborative efforts between the Chapters, the Division of Community Development, Navajo Nation Fiscal Recovery Fund (NNFRF) Office and the Navajo Nation Department of Justice (NNDOJ). Per BFS-31-21, each proposed expenditure must obtain NNDOJ verification that each proposed project is an eligible expense within ARPA/NNFRF regulations. Each of the projects within CD-62-22 has met all the requirements.

The ARPA/NNFRF process is still evolving since the inception of this funding. Within the United States Treasury and the Navajo Nation, processes have been updated at various times. An example is the Treasury guidelines referenced within Navajo Nation Council resolutions CJY-41-21 and CJN-29-22; the Treasury guidelines exhibit was updated by the United States Treasury on September 20, 2022. Accordingly, the legal guidance provided by NNDOJ and Office of Legislative Counsel is modified to comply with the Treasury guidelines.

One such modification of legal guidance involved the processing of regional expenditure plans. Originally, the guidance was that all projects had to equal \$8,802,340 to be considered as completed and ready for legislative action. This guidance was modified in December 2022 to allow partial funding of the \$8,802,340 allocations so that proposed ARPA/NNFRF projects ready for legislative action could be processed by Office of Legislative Counsel. Because of the time constraints for the 24<sup>th</sup> Navajo Nation Council to act on proposed legislation, programs did not have sufficient time to provide written verification to Chapters regarding the change in legal guidance.

**Part 2. Expenditure Plan details.**

(a) Describe the Program(s) and/or Project(s) to be funded, including how the funds will be used, for what purposes, the location(s) to be served, and what COVID-related needs will be addressed:

Chapter House Heating/Cooling System Project: The Low Mountain chapter house with a nonfunctional or unsafe primary heating system and no secondary heating system is available. Officials, Staff, and Visitors with the imminent cold winter and the lack of the Chapter interior heat faces a life-threatening crisis especially for individuals who become exposed to extreme indoor/outdoor temperatures can adversely affect their health and/or well-being within days of heat loss. A chapter member's health (i.e., elderly, veterans, children, people with disabilities, employees, officials, etc.), can likely be endangered if heat is not available. Unforeseen circumstances as layoffs and cold sickness can become a hardship. A furnace replacement purchased and/or a reliable and reasonable vendor or hire an HVAC contractor are under considerations. Utilizing ARPA funding will help to address the latter to purchase a new furnace system and its installation or contract out. COVID-19 is still on the rise and loss of body heat and weakness can make us vulnerable to the COVID-19 infectious disease. The Low Mountain Chapter House is used as a shelter for some overcrowded family members during Covid-19, heating and cooling system is in dire need.

document attached

(b) Explain how the Program or Project will benefit the Navajo Nation, Navajo communities, or the Navajo People:

Due to the ever-increasing uncertainty when it comes to the weather (climate changes) a new heating/cooling system will benefit those that use the chapter building during meetings and other events.

document attached

(c) Provide a prospective timeline showing the estimated date of completion of the Project and/or each phase of the Project. Disclose any challenges that may prevent you from incurring costs for all funding by December 31, 2024 and/or fully expending funds and completing the

Program(s) or Project(s) by December 31, 2026:

ASAP to remedy the need for heat loss and making heat available for the chapter house, the acting CSC/AMS is already making preparations. She will take charge and coordinate with ARPA funding sources, DCD, and local officials. Completion schedules first phase December 31st, 2022. Incurring cost for all funding by December 31st, 2024 no challenges.

document attached

(d) Identify who will be responsible for implementing the Program or Project:

Project manager, an appointed temporary employee to coordinate implementing the project with the acting Community Service Coordinator (CSC).

document attached

(e) Explain who will be responsible for operations and maintenance costs for the Project once completed, and how such costs will be funded prospectively:

The Low Mountain chapter will be charged with operation and maintenance costs per annual budget.

document attached

(f) State which of the 66 Fiscal Recovery Fund expenditure categories in the attached U.S. Department of the Treasury Appendix 1 listing the proposed Program or Project falls under, and explain the reason why:

1.7. Replacing the heating/cooling system helps the operational use of the Low Mountain Chapter building that is integral to the community.

**RE: JUSTIFICATION – LMC/ARPA HEATING/COOLING.**

Dear Sir/Madam:

I am writing this as a justification on behalf of Low Mountain Chapter regarding the ARPA Heating and Cooling Project.

Sir/Madam, please understand that the LMC ARPA Heating/Cooling Project is to install Heating/Cooling system in the Low Mountain Chapter House Building, which is utilize for Emergency Shelter since majority of our community members are living in one house of two or more families, which creates high risk of COVID-19 infections; therefore, the Low Mountain Chapter utilized the chapter house building for shelter during this pandemic.

Sir/Madam, attached hereto is a cost estimate, which has material listing and labor cost from a Contractor and since the ARPA proposal process, Legislation process, and creating a Navajo Nation Business Unit is time consuming, I believe \$30,000.00 is sufficient enough to use the amount differences if the cost should rise during this time frame.

Your utmost understanding and approval consideration will be greatly appreciated. If you should have any further questions and/or need more information, please don't hesitate to contact me at 505-979-3001.

Sincerely,

 04/05/2023
