RE: *CJY-64-23 An Action Relating to the Naabik'iyáti' Committee and Navajo Nation Council; Approving the Navajo Nation Fiscal Recovery Fund Delegate Region Project Plan for Honorable Carl R. Slater's Delegate Region (Chapters: Tsaile/Wheatfields, Lukachukai, Round Rock, Tsé Ch'ízhí, Rock Point)*

Dear Speaker Curley,

I am pleased to sign into law this resolution CJY-64-23 approving the Fiscal Recovery Funds Delegate Regional Project Plan for Honorable Slater's Delegate Region in the amount of \$5,200,386.

My Administration supports the plans of these Chapters who have worked very hard to put together their Regional Plans and is working very closely with the Fiscal Recovery Fund Office to ensure that these funds are put to use. As such, when Chapters are running into roadblocks in expending their Fiscal Recovery Funds and the roadblock is coming from the Executive Branch, I encourage them to reach out to the Office of the President and Vice President and inform my office of the roadblock and we will work to overcome those roadblocks.

I do want to take the moment to express my concern that any amendments to the Regional Plans must be approved by the Council. In addition, the prior Navajo Nation Council has set the expectation that Fiscal Recovery Funds be encumbered by June 30, 2024. This deadline is not far off. As a construction expert, I know that there are unpredictable factors that can prevent even the best of plans from moving forward on the proposed timeline. We should be designing systems that are flexible, accountable, and transparent. We do not currently have that system and I look forward to working with you and the entire Council to improve the Navajo Nation systems, so we are supporting our communities to take advantage of this historic funding.

Now let's get to work!

Sincerely,

Dr. Buu Nygren, President
THE NAVAJO NATION

(a) Describe the Program(s) and/or Project(s) to be funded, including how the funds will be used, for what purposes, the location(s) to be served, and what COVID-related needs will be addressed:

The Rock Point Chapter will use the funds to build the Chapter Compound a new sewage system and drain fields. The current system is outdated and cannot be used as much due to the frailty of the system. The funds will be used to hire a contractor that will build a new sewage system AND drain fields that can be used by all buildings located on the compound. The Rock Point Chapter will ensure that the funds expended will address public health challenges that partly caused the unequal impact on the Navajo Nation.

(b) Explain how the Program or Project will benefit the Navajo Nation, Navajo communities, or the Navajo People:

At the Rock Point Chapter compound, it became more apparent that the grounds lacked a sewage system that could handle all buildings' waste water and the drain fields were not set up. Due to this, the Chapter has not been able to serve their community as well as they could.
