RE: *CJY-67-23 An Action Relating to the Naabik'iyáti' Committee and Navajo Nation Council; Approving the Navajo Nation Fiscal Recovery Fund Delegate Region Project Plan for Honorable George H. Tolth's Delegate Region (Chapters: Littlewater, Pueblo Pintado, Torreon, Whitehorse Lake, Baca/Prewitt, Casamero Lake, Ojo Encino, Counselor)*

Dear Speaker Curley,

I am pleased to sign into law this resolution CJY-67-23 approving the Fiscal Recovery Funds Delegate Regional Project Plan for Honorable Tolth's Delegate Region in the amount of \$4,730,125.11.

My Administration supports the plans of these Chapters who have worked very hard to put together their Regional Plans and is working very closely with the Fiscal Recovery Fund Office to ensure that these funds are put to use. As such, when Chapters are running into roadblocks in expending their Fiscal Recovery Funds and the roadblock is coming from the Executive Branch, I encourage them to reach out to the Office of the President and Vice President and inform my office of the roadblock and we will work to overcome those roadblocks.

I do want to take the moment to express my concern that any amendments to the Regional Plans must be approved by the Council. In addition, the prior Navajo Nation Council has set the expectation that Fiscal Recovery Funds be encumbered by June 30, 2024. This deadline is not far off. As a construction expert, I know that there are unpredictable factors that can prevent even the best of plans from moving forward on the proposed timeline. We should be designing systems that are flexible, accountable, and transparent. We do not currently have that system and I look forward to working with you and the entire Council to improve the Navajo Nation systems, so we are supporting our communities to take advantage of this historic funding.

Now let's get to work!

Sincerely,

Dr. Buu Nygren, *President*
THE NAVAJO NATION
