INFRASTRUCTURE CAPITAL IMPROVEMENT PLAN FY 2022 - 2027

Tolikan (Sweetwater)

Capital Project Description

Year Rank: 2022 - 5 2022 - 2027 Project ID: IRAS50122-000392

Project Title: Rural Addressing Contact Phone: _9284290977_ Contact Email: Sweetwater@navajochapters.org

Contact Name: Tovina Yazzie

Project description: The objective is to enhance the 9-1-1 addressing, by providing a permanent, accurate location within the community of Tolikan. Rural addressing will provide an easy comprehensible location for the public safety; emergency medical services, law enforcement, fire, and rescue. Furthermore, landline telephone numbers will be linked to a specific location and may be physically located.

Statement of Need: Physical addressing is essential to rural areas located within the Navajo Nation, for Public Safety Answering Point (PSAP). Locating the Person Reporting (PR) is difficult for many dispatchers, because rarely is there a specific location being provided, in result of no accurate information of a personnel's location, one may be put more at risk or in danger, or may even lead to fatalities.

Project Location: chapter
