RE: *CJY-67-23 An Action Relating to the Naabik'iyáti' Committee and Navajo Nation Council; Approving the Navajo Nation Fiscal Recovery Fund Delegate Region Project Plan for Honorable George H. Tolth's Delegate Region (Chapters: Littlewater, Pueblo Pintado, Torreón, Whitehorse Lake, Baca/Prewitt, Casamero Lake, Ojo Encino, Counselor)*

Dear Speaker Curley,

I am pleased to sign into law this resolution CJY-67-23 approving the Fiscal Recovery Funds Delegate Regional Project Plan for Honorable Tolth's Delegate Region in the amount of \$4,730,125.11.

My Administration supports the plans of these Chapters who have worked very hard to put together their Regional Plans and is working very closely with the Fiscal Recovery Fund Office to ensure that these funds are put to use. As such, when Chapters are running into roadblocks in expending their Fiscal Recovery Funds and the roadblock is coming from the Executive Branch, I encourage them to reach out to the Office of the President and Vice President and inform my office of the roadblock and we will work to overcome those roadblocks.

I do want to take the moment to express my concern that any amendments to the Regional Plans must be approved by the Council. In addition, the prior Navajo Nation Council has set the expectation that Fiscal Recovery Funds be encumbered by June 30, 2024. This deadline is not far off. As a construction expert, I know that there are unpredictable factors that can prevent even the best of plans from moving forward on the proposed timeline. We should be designing systems that are flexible, accountable, and transparent. We do not currently have that system and I look forward to working with you and the entire Council to improve the Navajo Nation systems, so we are supporting our communities to take advantage of this historic funding.

Now let's get to work!

Sincerely,

Dr. Buu Nygren, *President*

**Part 2. Expenditure Plan details.**

(a) Describe the Program(s) and/or Project(s) to be funded, including how the funds will be used, for what purposes, the location(s) to be served, and what COVID-related needs will be addressed:

The project is to provide electric extensions to 25 homes where there is currently no electric power for the homes in the three communities of Whitehorse Lake. Approved funds will pay for power lines to these homes which will serve at least 150 individuals including 70 school aged children and 15 elderly. The horrible negative effects of COVID-19 ceased construction and field work for needed electric for over three years. This caused rampant infections wherein dozen of family members of these needy families passed away. Needed electricity will greatly aid with prevention, sanitation and in home treatment. Average cost will be about \$14,000.00 per home.  document attached

(b) Explain how the Program or Project will benefit the Navajo Nation, Navajo communities, or the Navajo People:

The project will provide dozen of jobs, provide an encouraging environment for the youth in their education endeavors and a great sense of security. Use of available food items will last longer, heat will be readily available, and in home care and treatment will greatly aide with prevention of COVID-19 infections. Communications will be improved so emergencies can be responded to more readily, severe storms will be known ahead of time and needed available assistance can be communicated  document attached

(c) A prospective timeline showing the estimated date of completion of the Project and/or each phase of the Project. Disclose any challenges that may prevent you from incurring costs for all funding by December 31, 2024 and/or fully expending funds and completing the Program(s) or Project(s) by December 31, 2026:

**APPENDIX A**

Timeline for completion can be achieved by December 31, 2026. Full expenditure of approved funds will also be achieved. This project will surely incur all needed and available funds before December 31, 2024 since all projects have been waiting to be worked on for three years or longer. The only problem will be timely approval and timely disbursement of funds.

### MEMORANDUM

To: Mrs. Leonora Henderson, Senior Program & Specialist  
Navajo Nation Fiscal Recovery Fund Office  
Window Rock, Arizona

From: Mr. *George H. Tolth*, Council Delegate  
25<sup>th</sup> Navajo Nation Council

Subject: **DELEGATION OF THREE ARPA CHAPTER PROJECTS**

During the Whitehorse Lake Chapter Planning meeting on Wednesday, October 11, 2023, at 10:00 a.m., we discussed that the Chapter went over \$1,824,000.00 for the Chapter ARPA Projects. All Eight Chapter Regions are supposed to budget their projects for \$1,100,292.50 for each Chapter. I recommend deleting the following Chapter, ARPA Projects, from the listing submitted to the ARPA Office. They are:

1. Warehouse for \$530,000.00 (Delete)
2. Septic Tank Cleaning for \$19,000.00 (Delete)
3. Continental Divide Powerline Extension for \$350,000.00, reduce \$150,000.00 from \$350,000.00, which should come up to \$200,000.00 for Powerline Extension.

Mr. Art Lee Chavez and the Chapter Administration are advocating for Warehouse for the Chapter. This coming year, we can apply for Chapter Warehouse through the State of New Mexico Legislators. Only two Whitehorse Lake Chapter ARPA projects, are on the listing and approved by the Navajo Nation Council. If you have any questions about this matter, please do not hesitate to contact me or email me. Your understanding and cooperation are greatly appreciated.

Sincerely,

Mr. *George H. Tolth*, Council Delegate  
25<sup>th</sup> Navajo Nation Council

CC: Mr. Art Lee Chavez, Chapter President  
Mr. Sandoval, Chapter Vice-President  
Mrs. Fran George, Chapter Secretary/Treasurer  
Mr. Dedrick Tolino, Community Services Coordinator
