Part 2. Expenditure Plan details.

(a) Describe the Program(s) and/or Project(s) to be funded, including how the funds will be used, for what purposes, the location(s) to be served, and what COVID-related needs will be addressed:

Pueblo Pintado Chapter spends approximately \$4000.00 to heat the building and the Administration office each winter. Doors are old and don't open and close properly. They squeak when opening and closing and poses safety hazard for children and elders in wheel chairs. Risk is finger injuries. Old doors is not energy efficient due to loose hinges, incorrect sizes of doors leaving gaps between door and the frame. Replacement of doors to more natural light in through windows not open doors thereby Improve energy efficiency. More hours spent indoors due to Covid-19 while the pandemics still there on Navajo Nation. To mitigate covid-19 and protect chapter membership health is to use disinfectant products to wipe door knobs and regular touched areas. New doors would be easier to clean/wash and rinse with clorox. document attached

(b) Explain how the Program or Project will benefit the Navajo Nation, Navajo communities, or the Navajo People:

Replacements of doors will keep the buildings warm in the winter and cool in the summer time with air conditioner usage. The community people will have a much safer building to occupy during gathers & events. document attached
