*RE: CAP-12-23 An Action Relating to the Naabik'iyáti' Committee and Navajo Nation Council; Approving the Navajo Nation Fiscal Recovery Fund Delegate Regional Project Plan for Honorable Norman M. Begay's Delegate Region (Chapters: Alamo, Ramah, Tohajiilee)*

Dear Speaker Curley,

I am pleased to sign into law this resolution CAP-12-23 approving the Fiscal Recovery Funds Delegate Regional Project Plan for Honorable Begay's Delegate Region in the amount of \$2,000,000.

My Administration supports the plans of these Chapters who have worked very hard to put together their Regional Plans and is working very closely with the Fiscal Recovery Fund Office to ensure that these funds are put to use. As such, when Chapters are running into roadblocks in expending their Fiscal Recovery Funds and the roadblock is coming from the Executive Branch, I encourage them to reach out to the Office of the President and Vice President and inform my office of the roadblock and we will work to overcome those roadblocks.

I do want to take the moment to express my concern that any amendments to the Regional Plans must be approved by the Council. In addition, the prior Navajo Nation Council has set the expectation that Fiscal Recovery Funds be encumbered by June 30, 2024. This deadline is not far off. As a construction expert, I know that there are unpredictable factors that can prevent even the best of plans from moving forward on the proposed timeline. We should be designing systems that are flexible, accountable, and transparent. We do not currently have that system and I look forward to working with you and the entire Council to improve the Navajo Nation systems, so we are supporting our communities to take advantage of this historic funding.

Now let's get to work!

Sincerely,

Dr. Buu Nygren, President

**Part 2. Expenditure Plan details.**

(a) Describe the Program(s) and/or Project(s) to be funded, including how the funds will be used, for what purposes, the location(s) to be served, and what COVID-related needs will be addressed:

The Project will construct a critically needed new water well at the Chapter's Detention Center site to serve Ramah's Rocky Ridge Water System. The system currently only has one water source, a shallow well that does not produce enough water to meet the community's needs, and critically needs an additional/backup water source. The existing well recently was out of service. Drinking water and fire protection is needed for existing homes and existing/planned Chapter facilities, which include a new police station/additional homes. The new well will provide reliable, safe and clean water used to help minimize/fight the COVID pandemic our community has been dealing with for years.

document attached

(b) Explain how the Program or Project will benefit the Navajo Nation, Navajo communities, or the Navajo People:

The new well will benefit Chapter members in many ways. The additional water provided to the area will allow for needed development currently on hold due to lack of water service and fire protection to be completed. The water system will be provided with a critically needed backup source and be able to provide enough water to meet demand. The clean water will improve public health and dramatically increase economic growth/quality of life of residents.

Provide a prospective timeline showing the estimated date of completion of the Project and/or each phase of the Project. Disclose any challenges that may prevent you from incurring costs for all funding by December 31, 2024 and/or fully expending funds and completing the

**APPENDIX A**

Program(s) or Project(s) by December 31, 2026:

Procurement for design services is planned to start as soon as funds are secured. An engineering firm is planned to be under contract by January 2023, allowing procurement for construction services after design is done to commence by May of 2023. Construction is expected to be completed by June of 2024, allowing all funds to be fully expended by December of 2024.

(d) Identify who will be responsible for implementing the Program or Project

Jason John, Director, Navajo Department of Water Resources

document attached

(e) Explain who will be responsible for operations and maintenance costs for the Project once completed, and how such costs will be funded prospectively:

Ramah Navajo Utility Authority (RNA) is currently responsible for the operation and maintenance of the Chapter's water systems, including any improvements such as the proposed project. RNA is fully in support of the project and agrees to operate and maintain the new well using operational funds water users pay for their water service.

(f) State which of the 66 Fiscal Recovery Fund expenditure categories in the attached U.S. Department of the Treasury Appendix 1 listing the proposed Program or Project falls under, and explain the reason why:

**5.13 - Drinking Water: Source**

This project will design and construct a new water well to provide drinking water and provide fire protection for the Rocky Ridge water system, which serves the northern portion of the Chapter.

## **RESOLUTION OF THE RAMAH NAVAJO CHAPTER**

**NO. 082207**

**Approving to Design and Construct a New Water Well and Related Connecting Pipeline to Convey Drinking Water and Provide Fire Protection for the Rocky Ridge Water System, Which Serves the Northern Portion of the Chapter Community; and the Water System is Managed, Operated and Maintained under the Auspices of the Ramah Navajo Utility Authority (RNUA).**

### **Whereas:**

1. Pursuant to Navajo Tribal Council Resolution CJ-20-55, the Ramah Navajo Chapter is a certified Chapter of the Navajo Nation and the Chapter is uniquely situated as satellite community of the Navajo Nation; and
2. Pursuant to 21 Navajo Nation Code §51-60, §§ 1.A; there is established the RNUA within the Ramah Navajo Chapter; and
3. By Resolution RNC-82-15, the Ramah Navajo Chapter established the RNUA and its Articles of Establishment and Bylaws to provide utility services to the community; By Resolution RNC-0786223, the Ramah Navajo Chapter established the Plan of Operation for RNUA; and By Resolution ACS-151-86, the Advisory Committee of the Navajo Tribal Council incorporated and adopted the Articles of Establishment and Bylaws and the Plan of Operation for RNUA; and
4. By Resolution CAP-34-98, the Navajo Nation Council enacted the Navajo Nation Local Governance Act codified as 26 Navajo Nation Code (N.N.C.), establishing a new title exclusively for political subdivisions of the Navajo Nation to address the governmental function of chapters that improves the governmental structure and provides the opportunity for local chapters to make decisions over local matters; and allowing communities to excel and flourish, enable Navajo leaders to lead toward a prosperous future and improve the strength and sovereignty of the Navajo Nation, including custom and tradition; and
5. By Resolution 041614, the Ramah Navajo Chapter adopts and endorses the RNUA's Finance, Property, Personnel, Procurement and Utility Policies and Procedures, with By-Laws, presented as amendments and superseding all prior management and operation policy and procedures, via a public hearing on April 15, 2016 at the Ramah Navajo Chapter House; and
6. By Resolution CJN-29-22, the 24<sup>th</sup> Navajo Nation Council approves Leg. 0086-22, as amended, regarding the NNFRF (ARPA) Expenditure Plan to include Chapter and Regional Projects Expenditure Plan which allow the Council Delegates to select for their regions under the NNFRF Expenditure Plan. Navajo Nation Council approved Resolution CJN-29-22 then was signed into law on July 15, 2022 by the OPVP; and

7. The existing shallow well serving the Rocky Ridge Water System is too old and no longer reliable nor cost effective such that it went out of commission recently which required costly repair and constant maintenance and operation by RNUA with limited resources. It is quite obvious a new well will serve the purpose for immediate backup and further meet the demand for abundant, reliable, safe and clean water supply to address the current infamous COVID-19 pandemic and other construction ready infrastructure developments, (i.e.), Judicial District Court Complex, Public Safety Building, and apartments adjacent to Ramah Navajo Detention Center; and
8. It is in the best interest of the Ramah Navajo Chapter and community members that supply of water (Life) must meet the ever-increasing demand not only in emergencies but under any normal circumstances in the future and generations to come. Now is most appropriate time with the NN FRF (ARPA) or funds for development of new wells.

**NOW, THEREFORE, BE IT RESOLVED THAT:**

The Ramah Navajo Chapter hereby approves to design and construct a new water well and related connecting pipeline to convey drinking water and provide fire protection for the Rocky Ridge Water System, which serves the northern portion of the Chapter Community. Attached hereto is NN FRF Request Form (A) and Expenditure Plan (B).

**CERTIFICATION**

We hereby certify that the foregoing resolution was duly considered by the Ramah Navajo Chapter at a duly called meeting in Mt. View, Navajo Nation (New Mexico), at which a quorum was present and that the same was passed by a vote of 06 in favor, 0 opposed, 08 abstained on this 23<sup>rd</sup> day of August, 2022.
