(a) Describe the Program(s) and/or Project(s) to be funded, including how the funds will be used, for what purposes, the location(s) to be served, and what COVID-related needs will be addressed:

This project requires rehabilitation of a debilitated fencing around the Rose Garden Cemetery which the Chapter is responsible for and has reached its capacity as a result of the COVID-19 Pandemic. The fencing previously installed was an old barbed wire type and there are many sections that have been either missing or worn down. In addition it is located just east of the Northern Edge Casino and because it is a visual scar, a large dirt berm was erected between the casino and the cemetery. Therefore to improve upon the cemetery a presentable enclosure would be constructed especially for those families who lost love ones as a result of this Pandemic. document attached

(b) Explain how the Program or Project will benefit the Navajo Nation, Navajo communities, or the Navajo People:

The location of the cemetery just east of the Northern Edge Casino affects the Navajo Nation economic because there are many Navajo citizens respect for their traditional upbringing of showing respect for those who have made their journey into the next stage of being and will often avoid sight of burial grounds. The replacement of the cemetery's exterior appearance which is much more acceptable to the Navajo People and will improve upon the Navajo Nation's economy at its casino. document attached

Disclose any challenges that may prevent you from incurring costs for all funding by December 31, 2024 and/or fully expending funds and completing the Program(s) or Project(s) by December 31, 2026:

APPENDIX A
