JONATHAN NEZ | PRESIDENT MYRON LIZER | VICE PRESIDENT

January 6, 2023

Hon. Otto Tso
Office of the Speaker
Post Office Box 3390
Window Rock, AZ 86515

RE: CD-62-22, *An Action Relating to the Naabik 'iyáti' Committee and Navajo Nation Council; Approving the Navajo Nation Fiscal Recovery Fund Delegate Region Project Plan for Honorable Kee Allen Begay, Jr. 's Delegate Region (Chapters: Tachee/Blue Gap, Many Farms, Nazlini, Tselani/Cottonwood, Low Mountain)*

Dear Speaker Tso,

The Nez/Lizer Administration appreciates the Chapters' endeavors to work collaboratively with their respective Council Delegate in completing the process to access funding made available with the \$211,256,148 allocated for regional expenditure plans under CJN-29-22.

The process to secure funding also involves collaborative efforts between the Chapters, the Division of Community Development, Navajo Nation Fiscal Recovery Fund (NNFRF) Office and the Navajo Nation Department of Justice (NNDJOJ). Per BFS-31-21, each proposed expenditure must obtain NNDJOJ verification that each proposed project is an eligible expense within ARPA/NNFRF regulations. Each of the projects within CD-62-22 has met all the requirements.

The ARPA/NNFRF process is still evolving since the inception of this funding. Within the United States Treasury and the Navajo Nation, processes have been updated at various times. An example is the Treasury guidelines referenced within Navajo Nation Council resolutions CJY-41-21 and CJN-29-22; the Treasury guidelines exhibit was updated by the United States Treasury on September 20, 2022. Accordingly, the legal guidance provided by NNDJOJ and Office of Legislative Counsel is modified to comply with the Treasury guidelines.

One such modification of legal guidance involved the processing of regional expenditure plans. Originally, the guidance was that all projects had to equal \$8,802,340 to be considered as completed and ready for legislative action. This guidance was modified in December 2022 to allow partial funding of the \$8,802,340 allocations so that proposed ARPA/NNFRF projects ready for legislative action could be processed by Office of Legislative Counsel. Because of the time constraints for the 24th Navajo Nation Council to act on proposed legislation, programs did not have sufficient time to provide written verification to Chapters regarding the change in legal guidance.

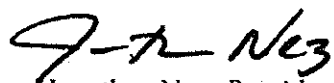

THE NAVAJO NATION

JONATHAN NEZ | PRESIDENT MYRON LIZER | VICE PRESIDENT

Pursuant to the authority vested in the Navajo Nation President, I am signing Resolution CD-62-22 into law.

Sincerely,

Jonathan Nez, *President*
THE NAVAJO NATION

Myron Lizer, *Vice President*

Part 2. Expenditure Plan details.

(a) Describe the Program(s) and/or Project(s) to be funded, including how the funds will be used, for what purposes, the location(s) to be served, and what COVID-related needs will be addressed:

Drainage/Septic System Project/Failed Septic Services: According to LMC project plans, the 2021 needs assessments, approximately 18 homes were in dire need of drainage septic system replacements. Homes built in the early 1980s and drainage/septic systems installed early 1980s and in May and June 2022 many of these systems have failed to operate or function properly for home ownership. The LMC did give the Sterling Foundation a price quote of \$262,568.00 for the replacement project but they deemed this to be costly and excessive for the foundation to assist funding the drainage system project.

With the COVID-19 pandemic still on the Navajo Nation, the local officials concerns are in some homes where there are more than one family. It's critical when the family needs to quarantine and go into isolation due to COVID-19 infection of other family members. The overcrowding and closeness within these home situations become critical that leads to rampant unchecked growth or spread of COVID-19 infections of the whole household.

Upon completion of the proposed drainage/septic system, replacement projects will effectuate a better living condition for all the family members and improve their health environments as well.

☒ document attached

(b) Explain how the Program or Project will benefit the Navajo Nation, Navajo communities, or the Navajo People:

Whether we know it or not, living conditions within our communities have been cited as comparable to third world living (Gallup Independent!) It is impossible to succinctly describe the many factors that have contributed to the challenges that our communities face today, but the following facts about the most pressing issues of economic, health and better homes gives a hint of what life is like for many of our chapter's memberships. The lack of better homes is a public health crisis where some family, due to the pandemic, the LMC may have some of the worst social and economic outcomes. We are more likely to be negatively affected by funding cuts, lack of the same and policy changes. We can just hope for the best with this ARPA funding request. The Navajo Nation can learn from this and can be very beneficial.

(c) Provide a prospective timeline showing the estimated date of completion of the Project and/or each phase of the Project. Disclose any challenges that may prevent you from incurring costs for all funding by December 31, 2024 and/or fully expending funds and completing the

APPENDIX A
