Part 2. Expenditure Plan details.

(a) Describe the Program(s) and/or Project(s) to be funded, including how the funds will be used, for what purposes, the location(s) to be served, and what COVID-related needs will be addressed:

The Tse Ch'izhi Chapter will use the funds to build ADA compliant bathrooms to deter transmission of Covid-19. The funds will be used to purchase new water heaters, wall heater(if needed), toilets, bathroom sinks, bathtub/shower combo and if possible, a utility sink. The Tse Ch'izhi Chapter will ensure that the funds expended will address public health challenges that partly caused the unequal impact on the Navajo Nation. Doing this will ensure each bathroom is ADA compliant.

document attached

(b) Explain how the Program or Project will benefit the Navajo Nation, Navajo communities, or the Navajo People:

Within the Tse Ch'izhi Chapter, a high number of residents need bathrooms built/added to their homes; they have to forego certain areas of sanitation to ensure their health will be safe. The ARPA bathroom additions will provide residents updated basic needs to clean and sanitize themselves. The Tse Ch'izhi Chapter residents will directly benefit from these.

document attached

(c) Provide a prospective timeline showing the estimated date of completion of the Project and/or each phase of the Project. Disclose any challenges that may prevent you from incurring costs for all funding by December 31, 2024 and/or fully expending funds and completing the

Program(s) or Project(s) by December 31, 2026:

This project estimates the successful completion of approximately 4-5 bathroom additions/renovations a month and will obligate the funds no later than December 31, 2024 and will fully expend the funds no later than December 13, 2026.

document attached

(d) Identify who will be responsible for implementing the Program or Project:

DCD will be the oversight of the sub-recipient agreement with Tse Ch'izhi Chapter to complete the services needed to facilitate the bathroom additions/renovations.

document attached

(e) Explain who will be responsible for operations and maintenance costs for the Project once completed, and how such costs will be funded prospectively:

The maintenance of the bathroom addition/renovation will be the responsibility of the home owners after a 1 year construction warranty.

document attached

(f) State which of the 66 Fiscal Recovery Fund expenditure categories in the attached U.S. Department of the Treasury Appendix 1 listing the proposed Program or Project falls under, and explain the reason why:

1.14 Other Public Health Services. The interim Final Rule states that "[g]iven the exacerbation of health disparities during the pandemic and the role of the pre-existing social vulnerabilities in driving these disparate outcomes, services to address health disparities are presumed to be responsive to the public health impacts of the pandemic. Specifically, recipients may...facilitate access to resources that improve health outcomes including services that connect residents with health care resources and public assistance programs and build healthier environments such as: housing services to support healthy living environments and neighborhoods conducive to mental and physical wellness." Bathroom additions addresses the conditions that contributed to poor public health and economic outcomes during the pandemic, namely concentrated areas with limited economic opportunity. document attached
