RE: CJY-67-23 An Action Relating to the Naabik'iyáti' Committee and Navajo Nation Council; Approving the Navajo Nation Fiscal Recovery Fund Delegate Region Project Plan for Honorable George H. Tolth's Delegate Region (Chapters: Littlewater, Pueblo Pintado, Torreon, Whitehorse Lake, Bacal/Prewitt, Casamero Lake, Ojo Encino, Counselor)

Dear Speaker Curley,

I am pleased to sign into law this resolution CJY-67-23 approving the Fiscal Recovery Funds Delegate Regional Project Plan for Honorable Tolth's Delegate Region in the amount of \$4,730,125.11.

My Administration supports the plans of these Chapters who have worked very hard to put together their Regional Plans and is working very closely with the Fiscal Recovery Fund Office to ensure that these funds are put to use. As such, when Chapters are running into roadblocks in expending their Fiscal Recovery Funds and the roadblock is coming from the Executive Branch, I encourage them to reach out to the Office of the President and Vice President and inform my office of the roadblock and we will work to overcome those roadblocks.

I do want to take the moment to express my concern that any amendments to the Regional Plans must be approved by the Council. In addition, the prior Navajo Nation Council has set the expectation that Fiscal Recovery Funds be encumbered by June 30, 2024. This deadline is not far off. As a construction expert, I know that there are unpredictable factors that can prevent even the best of plans from moving forward on the proposed timeline. We should be designing systems that are flexible, accountable, and transparent. We do not currently have that system and I look forward to working with you and the entire Council to improve the Navajo Nation systems, so we are supporting our communities to take advantage of this historic funding.

Now let's get to work!

Sincerely,

 Dr. Buu Nygren, *President*
 THE NAVAJO NATION

Part 2. Expenditure Plan details.

(a) Describe the Program(s) and/or Project(s) to be funded, including how the funds will be used, for what purposes, the location(s) to be served, and what COVID-related needs will be addressed:

Right of way covering 35 miles from Whitehorse Lake to Torreon preparing for gravel and pavement. Road is unimproved making travel for residents extremely difficult especially during incriminate weather, emergency vehicles are not able to travel the roadway, school buses have to travel around about way covering 80 miles, 800 residents are affected mostly elderly. COVID-19 has delayed this project for over 3 years as conditions worsen making medical treatment severely out of reach impacting death rate at 50% higher than normal.

document attached

(b) Explain how the Program or Project will benefit the Navajo Nation, Navajo communities, or the Navajo People:

The immediate rural area around Whitehorse Lake and Rincon Marquez will be able to make needed trips to nearest medical facilities closer and faster, ambulances will be able to cut their response time by 80%, school buses will travel 70 miles around trip instead of 160 miles round trip. Costs for fuel and food will be cut by at least 50% and delivery of heating fuel will decrease 20-30%. Jobs will available for at least 100 people during construction which will 2 years.

document attached

(c) A prospective timeline showing the estimated date of completion of the Project and/or each phase of the Project. Disclose any challenges that may prevent you from incurring costs for all funding by December 31, 2024 and/or fully expending funds and completing the Program(s) or Project(s) by December 31, 2026:

APPENDIX A

document attached

(f) State which of the 66 Fiscal Recovery Fund expenditure categories in the attached U.S. Department of the Treasury Appendix 1 listing the proposed Program or Project falls under, and explain the reason why.

This project would fall into 3.3 category Public Sector Workforce: Other. This project would provide public sector work for unemployed Navajo individuals to secure right of ways for a public sector road that is sorely needed for public safety, health, education, commerce and communication. This project would also enhance economic growth and development in an area very isolated with population growth as a result of more access to available resources, services and communication. The negative effects of COVID-19 and its variants would be diminished with prevention more manageable.
