(a) Describe the Program(s) and/or Project(s) to be funded, including how the funds will be used, for what purposes, the location(s) to be served, and what COVID-related needs will be addressed:

Pueblo Pintado Chapter House was built in 1971. No records on file for repairs. Properly stabilize wall so the inside/wall paneling do not shake and appear ready to come off on windy days. There's a draft and dust from the wall. Chapter has 443 registered voters and the house has capacity of 60 people. Stabilization of West Wall inside & outside of chapter building will help to provide proper and correct air/heating temperature during meetings, thereby, prevent cross contamination of flu viruses; covid-19 and its strain. Repair will stop the dust coming into the Chapter House cutting down on cleaning.
