RE: CAP-10-23 An Action Relating to the Naabik'íyáti' Committee and Navajo Nation Council; Approving the Navajo Nation Fiscal Recovery Fund Delegate Regional Project Plan for Honorable Helena Nez Begay's Delegate region (Chapter: Coppermine, K'aibii'to, Lechee, Tonalea/Red Lake, Bodaway/Gap)

Dear Speaker Curley,

I am pleased to sign into law this resolution CAP-10-23 approving the Fiscal Recovery Funds Delegate Regional Project Plan for Honorable Begay's Delegate Region in the amount of $4,781,904.50.

My Administration supports the plans of these Chapters who have worked very hard to put together their Regional Plans and is working very closely with the Fiscal Recovery Fund Office to ensure that these funds are put to use. As such, when Chapters are running into roadblocks in expending their Fiscal Recovery Funds and the roadblock is coming from the Executive Branch, I encourage them to reach out to the Office of the President and Vice President and inform my office of the roadblock and we will work to overcome those roadblocks.

I do want to take the moment to express my concern that any amendments to the Regional Plans must be approved by the Council. In addition, the prior Navajo Nation Council has set the expectation that Fiscal Recovery Funds be encumbered by June 30, 2024. This deadline is not far off. As a construction expert, I know that there are unpredictable factors that can prevent even the best of plans from moving forward on the proposed timeline. We should be designing systems that are flexible, accountable, and transparent. We do not currently have that system and I look forward to working with you and the entire Council to improve the Navajo Nation systems, so we are supporting our communities to take advantage of this historic funding.

Now let's get to work!

Sincerely,

Dr. Buu Nygren, *President*

Returned for the following reasons (Ineligibility Reasons / Paragraphs 5. E. (1) - (10) of FRF Procedures):

- ☐ Missing Form
- ☐ Supporting documentation missing
- ☐ Project will not be completed by 12/31/2026
- ☐ Ineligible purpose

Other Comments: **Please note that we have modified the expenditure category to 6.1 (Government Services), as category 1.7 (Capital Investments or Physical Plant Changes to Public Facilities that respond to the COVID-19 public health emergency) is no longer a valid code, and since given the intended uses of the warehouse, the government services category is a better fit for the Project.**

As well, please note that the DOJ review notes a discrepancy between the warehouse description in the Appendix A documents (a 4-bay warehouse) and that listed in the Chapter resolution (a 3-bay warehouse).
