RE: CAU-73-23 An Action Relating to the Naabik'iyáti' Committee and Navajo Nation Council; Amending CMY-39-23 and CAP-11-23, the Navajo Nation Fiscal Recovery Fund Delegate Region Project Plan for Honorable Steven R. Arviso's Delegate Region (Chapters: Churchrock, Iyanbito, Mariano Lake, Pinedale, Smith Lake, Thoreau), to Include Additional Projects for this Delegate Region

Dear Speaker Curley,

I am pleased to sign into law Resolution CAU-73-23 approving the amendments to the Fiscal Recovery Funds Delegate Regional Plan for Honorable Steven R. Arviso's Delegate Region for a total of \$6,220,434. 58 out of a potential allocated amount of \$8,802,340.00.

My Administration supports the plans of these Chapters we have worked very hard to put together their Regional Plans and are working closely with the Fiscal Recovery Fund Office to ensure that these funds are put to use. As such, when Chapters are running into roadblocks in expending their Fiscal Recovery Funds and the roadblock is coming from the Executive Branch, I encourage them to reach out to the Office of the President and Vice-President and we will work together to overcome it. As you know, my Administration has been working to put in place quicker and more flexible Navajo Nation systems. I look forward to working with you and the entire Council to improve Navajo Nation systems so that we are supporting our communities and taking advantage of this historic funding.

I do want us to be cognizant that the prior Navajo Nation Council has set the expectation that Fiscal Recovery Funds be encumbered by June 30, 2024. This date is not far off. As a construction expert, I know that there are unpredictable factors that can prevent even the best of plans from moving forward on a proposed timeline.

Now let's get to work!

Sincerely,

A large, stylized handwritten signature in black ink, appearing to be "B. Nygren".

Other Comments: Further information is needed to evaluate the project.

Premium Pay: To qualify as "premium pay" (also considered "hazard pay") there are several requirements that must be met. Under the American Rescue Plan and guidance issued by the U.S. Department of Treasury, Fiscal Recovery Funds (FRF) can be used for premium pay only in limited situations.

Specifically, FRF can only be used to provide *premium pay to eligible workers that are performing essential work to respond to pandemic.*

The italicized terms are further defined as follows:

- Premium Pay = Up to \$13 per hour; no more than \$25,000 per employee in total. This must be paid in addition to the employee's regular compensation.

- Eligible Workers = Are those employees needed to maintain continuity of operations of essential critical infrastructure sections and additional sectors as each government may designate as critical to protect the health and wellbeing of residents. This includes those providing vital services to Tribes.

- Essential Work = Is that work that requires interaction with people or things that have interacted with people. This definition would exclude hour that were teleworked.

- Respond = To be responsive, Treasury guidance indicates that one of the three conditions must be met:

Condition 1: The employee's total pay (premium pay and regular compensation) must be less or equal to 150% the state or county's average annual wages for all occupations; or

Condition 2: The employees who are eligible to receive premium pay must be eligible for overtime under the Fair Labor Standards Act (FLSA).

Condition 3: A justification must be submitted to Treasury explaining how the premium pay is responsive to the COVID-19 pandemic.

The Documents state that premium pay will be provided to Chapter House employees that provide government services to Chapter members, including providing PPE, food, fuel, and firewood assistance, as well as those assisting with COVID-19 mitigation projects such as renovations, housing, house wiring, powerline, waterline, bathroom additions, planning and designing projects, student workers, and others carrying out COVID-19 mitigation tasks. While the Documents state

that the premium pay will be a bi-weekly 25% increase for COVID-19 mitigation efforts through September 30, 2026, the Documents do not indicate if employees will receive more than \$25,000.

The Project should be resubmitted and answer the following question:

1. Will employees be paid more than \$25,000?

MEMORANDUM

TO : 110 Navajo Chapters
Navajo Nation Local Government

FROM : *Sonlatsa Jim*
Sonlatsa Jim-Martin, Department Manager II
DIVISION OF COMMUNITY DEVELOPMENT
HEALTH COMMAND OPERATIONS CENTER, Operations Section, Chapter Branch

DATE : April 8, 2020

RE : All 110 Chapters to Coordinate with the Division of Community Development
Non-Governance Certified Chapter Staff as Essential Employees

On March 13, 2020, President Nez and Vice-President Lizer issued Executive Order No. 001-20 (EO) which empowered Division Directors to determine "essential personnel." On March 31, 2020, President Nez and Vice-President Lizer issued the second Executive Order (002-20) which, among other things, extended the governmental closure to April 26, 2020. Both EOs provided paid administrative leave to all "non-essential" personnel for the duration of the closure. Further, that the closure could be extended on the recommendation of the Navajo Nation Health Command Operations Center (HCOC). Its second EO reaffirmed the Division Director's authority to determine essential personnel. For non-governance certified Chapters, all Community Services Coordinators (CSC) and Account Maintenance Specialist (AMS) are Executive Branch employees for purposes of the Local Governance Act.

Effective Monday April 13, 2020, all CSCs and AMSs are deemed as essential employees. This does not mean that Chapters are re-opening. In fact, Chapters are to remain closed to the public. These employees will be providing "Essential Government Functions" and assisting with the implementation of the Emergency Navajo Nation Chapter Plan. All 110 Navajo Chapters are approved for the following essential government services:

- water hauling services
- solid waste management services
- coal/wood/hay services
- food and supply storage
- food and supply delivery services
- U.S. mail services (if located at the Chapter)
- administrative emergency documents
- Other essential services will be determined on a case by case basis and as the situation changes with the COVID-19 emergency response.

THE NAVAJO NATION

JONATHAN NEZ | PRESIDENT MYRON LIZER | VICE PRESIDENT

As provided in the Emergency Public Health Orders, all emergency relief efforts by any of the 110 Chapters need to be coordinated with the HCOC. At the outset of the establishment of the HCOC, the DCD was placed under the Operations Section of the HCOC. Thus, there is a "Chapter Branch" under HCOC which is facilitated by DCD. Therefore, all Chapters including Governance-Certified Chapters, must coordinate all emergency relief efforts through the Chapter Branch of the HCOC.

The Covid-19 virus has demonstrated to be a major public health risk. Thus, any effort by Chapters to provide any Essential Government Functions like those contemplated in the Emergency Navajo Nation Chapter Plan, requires standardization on trainings and implementation in an effort to minimize the risk of exposure to the participants and to the community members they serve.

Notwithstanding the above, all CSC, AMS, and governance-certified Chapter employees shall communicate any "underlying health conditions" as defined under the Public Health Orders which will excuse you from performing any Essential Governmental Functions. Such employees will need to provide in writing and send notice to Sonlatsa Jim-Martin.

All CSC, AMS, and governance-certified Chapter employees shall use all safety measures while at the Chapter facility including wearing gloves, masks, sanitizing surfaces regularly, social distancing of 6-feet, and gathering with no more than 5-people. Once again, all Chapters are to remain closed for regular business with the public due to the spread of the COVID19. For any questions or clarifications of this memorandum, please email Sonlatsa Jim-Martin, Department Director for ASC, at sjim-martin@nndcd.org. Thank you and please be safe.

SECTION:	SALARY AND WAGE ADMINISTRATION	NO. 20-VII-005
SUBJECT:	SPECIAL DUTY PAY PROCEDURES	RELEASE DATE: 4/08/2020
CROSS REFERENCE:	Navajo Nation Personnel Policies Manual § VII(L) and NOVEL CORONAVIRUS DISEASE (COVID-19) OUTBREAK	REVISION DATE:
REVIEW:	DEPARTMENT OF JUSTICE	DOJ REVIEW DATE: 04/08/2020

PURPOSE

Pursuant to the Executive Order No. 001-20, the Navajo Nation Office of the President and Vice President (OPVP) declared a State of Emergency due to the confirmation of the COVID-19 Virus in areas surrounding the Navajo Nation and closed the Navajo Nation government offices. President Nez extended the closure of the Executive Branch by Executive Order No. 002-20.

Some employees continue to work during the COVID-19 pandemic because of the essential nature of their position to allow the government to continue to operate and provide services to the Navajo People. This includes personnel that are working the front lines of the Navajo Nation government's pandemic response and those employees who are designated by the Division Director or OPVP as "Essential Employees" as directed by Executive Order No. 002-20. As such, they are "on call" for purposes of Section VII(L) of the Personnel Policies Manual.

APPLICABILITY

Pursuant to the authority set out in Section VII(L) of the Personnel Policies Manual, and subject to available funds, full-time and part-time employees who are on call during the COVID-19 Pandemic are eligible for Special Duty Pay. Employees may receive Special Duty Pay while holding a position designated by the Division Director or by the Office of the President and Vice-President to be eligible for such pay. Such positions first must be designated as "Essential Personnel" under Executive Order No. 002-20. The Division Director or OPVP may then apply additional criteria to deem such Essential Personnel eligible for Special Duty Pay, including whether such employees are required by their duties to be physically in their office or in the field directly responding to the pandemic.

DEFINITIONS

Special Duty Pay: For purposes of these procedures, "Special Duty Pay" means additional pay for being on call and performing essential government services during the COVID-19 pandemic.

Hours Worked: The time an employee spends on the work premises or at a designated work place performing services of benefit to the Navajo Nation, including documented work performed while telecommuting.

PROCEDURES

Subject to available funds, Special Duty Pay will be paid for all hours worked from the date of the issuance of the Executive Order No. 001-02, until the Navajo Nation government is re-opened by Executive Order of the President.

Special Duty Pay will not be paid when the employee is on Leave Without Pay, including because of a suspension arising out of disciplinary action, unless that disciplinary action is reversed by the Office of Hearings and Appeals or the Navajo Supreme Court.

For non-exempt employees, as defined by the Navajo Nation Personnel Policies Manual, Special Duty Pay shall be calculated as one-and one-half times the employee's usual hourly pay rate, as stated on the employee's current Personnel Action Form.

For Exempt Employees, the Division Director or OPVP may approve a lump sum payment in an amount within their discretion, subject to available funds.
