RE: Kayenta Chapter (Comb Ridge/El Capitan Area) Power Line Project

Dear Mr. Clitso:

Provided herewith are **PRELIMINARY** construction costs estimates to provide service to residents within the Comb Ridge and El Capitan areas of Kayenta Chapter referencing the enclosed Chapter Resolution K18-387-09 we received for this project. These costs will supersede all previous costs. The following items are provided for your information:

1. The ownership of the power lines will belong to the Navajo Tribal Utility Authority. The Navajo Tribal Utility Authority will handle the operation and maintenance responsibilities.
2. The cost estimates that are submitted are **PRELIMINARY**. Firm construction costs will be based upon final engineering and design.
3. Notice of funding for right-of-way acquisition must be received before NTUA commences with the archaeological clearance, environmental assessment, and legal surveys; and final engineering and design. This amount is shown on the attached estimate and contributes to the total project cost.
4. The Navajo Tribal Utility Authority will budget \$1,500.00 per customer provided their house is wired and ready for hook up prior to construction.

NOTE: If all homes are not wired, the NTUA Contribution will be adjusted downward to reflect the actual number of homes wired at the time of construction. This will result in an increase in contribution required by the Kayenta Chapter.

The CHAPTER shall conduct the following, in the order identified, to effectuate this Subsection (B):

1. obtain the NATION's determination that the proposed, new project is construction-ready;
2. obtain the appropriate approval for the proposed, new project through a Project Amendment Certification, to be financed using the Cost-Saving Funds;
3. enter into a new Grant Agreement with the NATION for the proposed, new project; and
4. Encumber and Expend the Cost-Saving Funds.

C. **Bound by Original Date of Distribution.** The CHAPTER shall be required to Encumber and Expend the Cost-Saving Funds within the original forty-eight (48) months of Distribution noted under this Agreement. If Cost-Saving Funds are not Encumbered and Expended within such time, the CHAPTER shall return those

Cost-Saving Funds to the Navajo Nation as noted in Section 28 of this Agreement.

- D. **No Construction-ready Projects.** If there are no construction-ready projects within the respective CHAPTER, for which Cost-Saving Funds can be used, the CHAPTER shall inform the NATION, the CHAPTER's Council Delegate and the Resource Development Committee ("RDC") in writing.

11. **Grant Project Fund Distribution.**

- A. **Grant Project Purpose.** The CHAPTER affirms and agrees that it will only Encumber and Expend Grant Project Funds for the Grant Project purpose as provided in this Agreement and Appendix A.
- B. **Duration for Expenditure.** The CHAPTER shall be required to Encumber and Expend the Grant Project Funds within forty-eight (48) months of Distribution.
- C. **Distribution Criteria.** Before Distribution of the Grant Project Funds, the CHAPTER shall be required to procure for the necessary goods and/or services, and thereafter finalize a contract with terms meeting the mandates of the Grant Project purpose. Once the procurement and contracting process is completed by the CHAPTER, the CHAPTER shall submit the contract and all supporting documentation to the NATION for review and approval as appropriate for the Grant Project. Upon approval by the NATION and execution of the contract between the contractor and Chapter President, the NATION shall submit notice and all supporting documents to the OOC for Distribution to the CHAPTER.
- D. **Project Amendment Certification after Agreement Execution.** Should the CHAPTER obtain a Project Amendment Certification after execution of this Agreement, but before Distribution, a written modification shall be executed noting such change to the Grant Project. Any Project Amendment Certification occurring after Distribution shall require a formal modification to this Agreement noting the change in Grant Project but cannot change the date of Distribution or the forty-eight (48) month deadline already in place.

12. **Required Contract Terms and Review.**

- A. **Contract Requirements.** The CHAPTER shall ensure all contracts entered into that Encumber Grant Project Funds include appropriate terms to address the work to be performed, including terms requiring insurance coverage for the entire duration of the project, state licensing for the type of work performed, and the appropriate business registration certificates for the vendor selected. Failure to include such types of terms in any contract expending the Grant Project Funds shall subject this Agreement to immediate termination by the NATION with return of all Grant Project Funds to the NATION.
- B. **Mandatory Contract Term.** The CHAPTER must include the following term in all contracts expending Grant Project Funds:

If this Chapter's Grant Agreement, No. _____, is terminated for any reason, this contract shall be assigned by the Chapter to the Navajo

Nation, provided that:

The Navajo Nation first accepts such assignment by notifying the Chapter and Contractor in writing and assumes all future rights and obligations of the Chapter pursuant to the contract. The Navajo Nation is under no obligation to accept an assignment.

If the Navajo Nation accepts such an assignment, and the Work has been suspended for more than thirty (30) consecutive days, following termination of the Grant Agreement, the Contractor's compensation shall be equitably adjusted for any costs that it has incurred through no fault of its own.

- C. **Use of the Professional Services Contract Prohibited.** The CHAPTER shall not utilize the *Navajo Nation Professional Services Contract* for any Planning, Design, or Construction Grant Projects. The CHAPTER shall consult with the NATION to determine the appropriate contract type for the Grant Project.

13. **Reasonable Access for Evaluation and Audit.**

- A. **Retention of Records.** The CHAPTER shall keep a record of all expenditures and receipts relating to this Grant and shall provide the NATION with requested reporting summarizing the project expenditures as outlined below. The CHAPTER shall keep all financial records with respect to this Grant, along with copies of any reports submitted to the NATION, for at least three (3) years following the year in which all Grant Project Funds are fully expended.

The CHAPTER shall maintain its accounts, books, and records in a manner that will provide the NATION with sufficient detail to review the CHAPTER's receipts and expenditures relating to the Grant Project. The Navajo Nation, its Departments, Divisions, and agencies thereof, reserve the right to request supporting documentation such as receipts, payroll records, general ledger, cash disbursements journal, vendor invoices, expenditure reports, construction contracts, and any other documentation sufficient to support reported expenditures to the satisfaction of the requestor.

- B. **Periodic Review.** The Navajo Nation, its Departments, Divisions, and agencies thereof may, upon reasonable notice, conduct periodic reviews of the CHAPTER's books, records, accounts, and documents related to expenditures of the Grant Project Funds incurred by the CHAPTER under this Agreement. The CHAPTER shall provide upon request, any information or data necessary to conduct monitoring and evaluation of compliance.
- C. **Authority to Audit.** The CHAPTER acknowledges the Navajo Nation's authority to conduct financial and performance audits and reviews of the Grant Project Funds. The CHAPTER shall comply, coordinate, and work cooperatively with the Navajo Nation Office of the Auditor General for audits related to Grant Project Funds. The PARTIES agree that the Navajo Nation's authority to audit expenditures of the Grant Project Funds shall continue for five (5) years after this Agreement ends.

Unless otherwise provided by law, the Navajo Nation shall have the authority to recoup unauthorized expenditures of the Grant Project Funds until the latter of three (3) years after the conclusion of the Nation's audit or five (5) years after this Agreement ends. Expenditures that are not supportable or that do not conform to the requirements of the Grant Project may be recouped by the NATION through a hold on the release of any other funds designated for the CHAPTER, up to the amount of the outstanding Grant Project Funds.

14. Required Reporting and Monitoring.

- A. Required Method of Accounting.** The CHAPTER shall use the accrual method of accounting for financial reporting to the NATION as opposed to accounting on a cash basis. The CHAPTER shall also use the accrual method of accounting for financial reporting of expenses incurred.
- B. Monthly Monitoring.** The CHAPTER shall provide to the NATION written, monthly expenditure reports of the Grant Project Funds until the latter of when expenditures are fully incurred, the Period of Performance ends, or the Agreement is terminated. By the fifth (5th) calendar day of each month, the CHAPTER agrees to submit the previous month's relevant financial data to the NATION.

The CHAPTER agrees to respond within three (3) business days to questions from the NATION related to submitted information. Such questions may include expanded information related to specific expenditures. The CHAPTER agrees to provide any other information reasonably requested by the NATION.

- C. Quarterly Reports.** The CHAPTER shall submit an accounting-expenditure report on the use of the Grant Project Funds and a Grant Project status to the NATION, the Office of the President and Vice-President, the RDC, the Budget and Finance Committee ("BFC"), and the Naabik'iyáti' Committee on a quarterly basis.
- D. Final Report.** Within sixty (60) days of the end of the Period of Performance, the CHAPTER shall provide a final report summarizing the actual expenditures incurred, along with supporting documentation, including, at a minimum, interior and exterior photographs of the Grant Project, and a Release of Claims and a Certificate of Occupancy issued by a licensed Building Inspector for construction and renovation projects.
- E. Failure to Comply.** If CHAPTER does not produce the required financial reports and any requested supplemental documents within the prescribed time and to the full satisfaction of the NATION, the Navajo Nation may withhold subsequent disbursements of Grant Project Funds or any other funds, or may terminate this Agreement.

15. Oversight.

The NATION shall be responsible for overseeing the financial administration of the Grant Project Funds for the Grant Project. The NATION, OOC, DCD, and the Office of Management and Budget ("OMB") shall work together in monitoring the CHAPTER's performance to ensure that Grant Project Funds are Spent in accordance with this Agreement and applicable Navajo Nation

laws, and that the Scope of the Work and performance criteria are being met.

The RDC, which has oversight over the Grant Projects created under the Authorizing Resolution, and the BFC, which has oversight over the OOC and OMB, shall have joint oversight authority over the CHAPTER in relation to this Grant.

16. No Assignment or Delegation.

The CHAPTER shall not assign or otherwise transfer its rights or delegate any of its obligations under this Agreement.

17. Indemnification.

The CHAPTER agrees to hold harmless and indemnify the NATION against any and all losses, costs, damages, claims, accident or injury to person or property including death, attorneys' fees, expenses, and other liability whatsoever, referred to collectively as "Claims," arising under, related to, or in connection with this Agreement, except to the extent such Claims are directly caused by the gross negligence or wanton and willful conduct of the NATION or to the extent they result from the negligence of NATION officials or employees as provided for and in accordance with 1 N.N.C. § 551 *et seq.*

18. Conflicting and Additional Terms.

All additional terms and conditions, Attachments, Exhibits, and Appendices are attached hereto and incorporated into this Agreement, provided however that in the event of any conflict between this Agreement and any additional terms and conditions, this Agreement shall control and govern. Any additional terms and conditions not attached to this Agreement shall have no force or effect.

19. Entire Agreement.

This Agreement, including its Appendices, represents the final, complete, and exclusive agreement and all terms and conditions between the CHAPTER and the NATION, and supersedes any and all prior written and oral agreements, communications, or course of dealing between the CHAPTER and the NATION relating to its subject matter. No other understanding, oral or otherwise, regarding the subject matter of this Agreement shall bind the PARTIES.

20. Written Amendment Required.

Amendments to this Agreement shall be made only in writing and must be signed by both PARTIES to be valid and take effect.

21. Third Party Beneficiaries.

This Agreement is for the exclusive benefit of the CHAPTER and the NATION and not for the benefit of any third party, including, without limitation, any partner, employee, volunteer, or contractor of the CHAPTER.

22. Force Majeure.

The NATION shall not be required to perform any obligation under this Agreement or be held liable for loss or damage resulting from its failure to perform, and the CHAPTER shall not be penalized for delay in performance, if the NATION's nonperformance and the CHAPTER's delay of performance is caused by labor strikes, work stoppages, war, hostilities, a national emergency, acts of God, natural disasters, power failures, or any other causes beyond each PARTY's control. The CHAPTER shall notify and consult with the NATION regarding any

force majeure event and how to minimize its impact, and in all cases will make commercially reasonable efforts to address the problem and carry out its obligations. The CHAPTER must inform the NATION of any force majeure events delaying performance of its obligations in writing, with proof of receipt of notice, within three (3) business days of the commencement of such force majeure event, or will otherwise waive this right as a defense.

23. Disputes.

Any and all disputes arising under, related to, or in connection with this Agreement shall be resolved first through informal, good faith negotiation between the PARTIES under the laws of the Navajo Nation. The PARTIES shall use their best faith efforts to resolve any dispute informally and expeditiously through such negotiations at the staff level. Each PARTY shall designate a staff person to meet with the other PARTY at a mutually agreeable time and place. The PARTIES will honor all reasonable requests for relevant documents and information. If the dispute cannot be resolved within fifteen (15) business days, the PARTIES shall refer the matter to the Executive Director of DCD and the Chapter President, and shall consult with the Department of Justice ("DOJ"), to assist with interpretation of this Agreement and applicable Navajo Nation laws and policies. If the PARTIES are unable to resolve the dispute, the NATION shall terminate this Agreement after consultation with the DOJ. The CHAPTER shall return any Grant Project Funds that are not Encumbered and Spent to the NATION pursuant to Section 28 of this Agreement.

24. No Waiver of Sovereign Immunity.

Nothing herein shall be construed as a waiver, express or implied, of the Navajo Nation's sovereign immunity.

25. Governing Law.

This Agreement shall be governed by the laws of the Navajo Nation.

26. Right to Modify, Terminate, or Withhold Payment.

The NATION reserves the right to modify, terminate, or withhold any payments to be made under this Agreement, or to require a total or partial refund of any Grant Project Funds if, in the NATION's sole discretion, such action is necessary because the CHAPTER has not fully complied with: (1) the terms and conditions of this Agreement; or (2) with the requirements of any law or regulation applicable to CHAPTER.

27. Termination.

This Agreement may be terminated by either PARTY for any reason with ten (10) business days written notice of intent to terminate the Agreement or by mutual termination of both PARTIES through a termination instrument executed by both PARTIES. Upon termination of this Agreement, the CHAPTER shall return any Grant Project Funds that are not Spent or Encumbered to the NATION and assign any Grant Project contracts to the NATION, at its request, pursuant to Section 12 of this Agreement.

28. Obligation to Return Grant Project Funds.

- A. **Return of Unencumbered or Unexpended Funds.** The CHAPTER shall immediately return to the NATION, in a manner suitable to the OOC, any portion of the Grant Project Funds that are not Encumbered and Spent at the end of the Period of Performance or upon termination of this Agreement upon the effective date of the termination.

- B. Return of Funds Expended in Violation of this Agreement.** The CHAPTER shall immediately return to the NATION such portion of the Grant Project Funds that the NATION determines, in its sole discretion, the CHAPTER expended in violation of the Agreement or any applicable Navajo Nation or other laws and regulations.
- C. Withholding of Future Chapter Funds.** If, for any reason, the CHAPTER fails to return the Grant Project Funds to the NATION when due, the Navajo Nation shall place a hold, in the amount of the Grant Project Funds owed, on the release of any other funds designated for the CHAPTER until the Grant Project Funds are returned.

29. Required Notification.

The CHAPTER is required to provide the NATION with immediate written notification of: (1) the CHAPTER's inability to Expend the Grant Project Funds for the purposes described in this Agreement or in the Authorizing Resolution; (2) any expenditure from this Grant made for any purpose other than those for which the Grant is intended; or (3) any match funds the CHAPTER receives or makes available for the Grant Project with a copy of the CHAPTER resolution approving use of the match funds for the Grant Project.
