RE: CAU-75-23 An Action Relating to the Naabik'iyáti' Committee and Navajo Nation Council; Amending CJY-57-23 and CD-67-22, the Navajo Nation Fiscal Recovery Fund Delegate Region Project Plan for Honorable Amber Kanazbah Crotty's Delegate Region (Chapters: Cove, Toadlena / Two Grey Hills, Red Valley, Tooh Haltsooi' (Sheepsprings), Tsé ahnáozt'i'it', Beclabio, Gadiiahi / To'Koi) to Include Additional Projects for this Delegate Region

Dear Speaker Curley,

I am pleased to sign into law Resolution CAU-75-23 approving the amendments to the Fiscal Recovery Funds Delegate Regional Plan for Honorable Amber Kanazbah Crotty's Delegate Region for a total of \$4,508,747 out of a potential allocated amount of \$8,802,340.00.

My Administration supports the plans of these Chapters we have worked very hard to put together their Regional Plans and are working closely with the Fiscal Recovery Fund Office to ensure that these funds are put to use. As such, when Chapters are running into roadblocks in expending their Fiscal Recovery Funds and the roadblock is coming from the Executive Branch, I encourage them to reach out to the Office of the President and Vice-President and we will work together to overcome it. As you know, my Administration has been working to put in place quicker and more flexible Navajo Nation systems. I look forward to working with you and the entire Council to improve Navajo Nation systems so that we are supporting our communities and taking advantage of this historic funding.

I do want us to be cognizant that the prior Navajo Nation Council has set the expectation that Fiscal Recovery Funds be encumbered by June 30, 2024. This date is not far off. As a construction expert, I know that there are unpredictable factors that can prevent even the best of plans from moving forward on a proposed timeline.

Now let's get to work!

Sincerely,

Dear Speaker Curley,

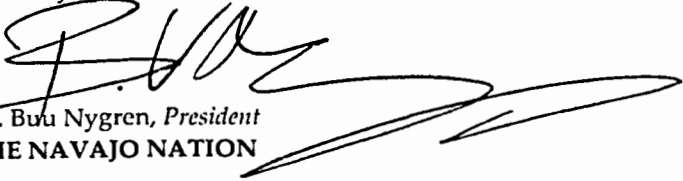

I am pleased to sign into law this resolution CJY-57-23 approving the Fiscal Recovery Funds Delegate Regional Project Plan for Honorable Crotty's Delegate Region in the amount of \$884,609.

My Administration supports the plans of these Chapters who have worked very hard to put together their Regional Plans and is working very closely with the Fiscal Recovery Fund Office to ensure that these funds are put to use. As such, when Chapters are running into roadblocks in expending their Fiscal Recovery Funds and the roadblock is coming from the Executive Branch, I encourage them to reach out to the Office of the President and Vice President and inform my office of the roadblock and we will work to overcome those roadblocks.

I do want to take the moment to express my concern that any amendments to the Regional Plans must be approved by the Council. In addition, the prior Navajo Nation Council has set the expectation that Fiscal Recovery Funds be encumbered by June 30, 2024. This deadline is not far off. As a construction expert, I know that there are unpredictable factors that can prevent even the best of plans from moving forward on the proposed timeline. We should be designing systems that are flexible, accountable, and transparent. We do not currently have that system and I look forward to working with you and the entire Council to improve the Navajo Nation systems, so we are supporting our communities to take advantage of this historic funding.

Now let's get to work!

Sincerely,
