17 Three (F).

18 5. Each Delegate Region Project shall identify its Administrative Oversight

I am requesting approval of Legislation 0111-23 for the Five Chapters that Council Delegate Aseret represents. We have completed our Expenditure Plans and Budget for our ARPA Chapter Projects, and required a lot of hard work. We would like to start the chapter projects as soon as possible and it is for the benefit of our community members, who are in dire need of water, electricity, renovation of homes, bathroom additions, etc. It relates to the safety and well-being of our community members.

Sincerely,

**Laura Lee Yazzie, Houck Chapter Manager**

I am Lois Watts from Houck Chapter. I am in support of approval for legislation 111-23, Lomardo Aseret's ARPA submission for our community. Our community needs electricity, housing renovation, bathroom additions, and rural addressing. The chapter officials, staff, and the community have been meeting, planning, getting resolutions, that support input from the community which is now formulated into plans and are now in this legislation. It has taken a lot of work and now we await approval so work can begin.

Thank you for affording the opportunity for our comments.
