**RESOLUTION OF NAGEEZI CHAPTER
EASTERN NAVAJO AGENCY, DISTRICT 19
RESOLUTION NC 23-106**

REQUESTING THE ARPA OFFICE AND NAVAJO DEPARTMENT OF JUSTICE TO ACCEPT THE LIST OF FAMILIES SUBMITTED WITH CHACO CANYON-ESCAVADA ELECTRICAL POWERLINE AND HOUSE WIRING PROJECTS, BY COUNCIL DELEGATET DANNY SIMPSON, SO FAMILIES CAN IMPROVE QUALITY OF LIFE FOR THEMSELVES, CHILDREN AND THEIR EDUCATION

WHEREAS;

Pursuant to 26 N.N.C. 1(8), the Nageezi Chapter is delegated the governmental authority to make decisions over local matters consistent with Navajo Law, Custom and Traditions and under 11 N.N.C. Part 10, also delegated authority to make local decisions in the best interests and welfare of the community members; and,

Nageezi Chapter, located in Eastern Navajo Agency of the Navajo Nation, in a checkerboarded region of land ownership. The Chapter is one of 31 Navajo Chapters and is the second largest land based chapter in Eastern Agency. The Chapter is made up of (09) nine sub-communities and has a population of 2500 to 3000 people, both registered and non-registered people; and,

Nageezi Chapter, worked with Council Delegate Danny Simpson, on submitting several ARPA Projects including construction of an electrical powerline with house wiring for Navajo families living in the Chaco Canyon-Escavada Area of Nageezi Chapter

Nageezi Chapter received an email from ARPA Office and NNDOJ to explain the process on how families on the proposal were selected. The Chapter President responded with a letter (attached) that most of the Navajo families living in rural Navajo Nation already live with high rate of unemployment, and for the few family members working. They have to drive up to 200 miles round trip working in urban areas for fast-food and hotels. We have BIE Schools and IHS Clinics scattered throughout these Navajo communities but does little to have any positive impact in the employment rate. Many of these families living in these regions are without electricity and have children who are in schools, riding buses daily needing these basic quality of life the rest of society enjoys.

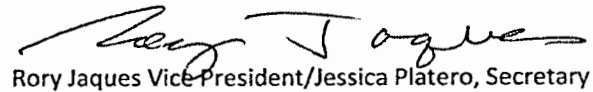

Nageezi Chapter finds it interesting that questions of this sort is being posed in order to justify crucial community development projects. Electrical, water, broadband, cell towers and economic developments are needed to bring our Navajo people up to date.

NOW THEREFORE BE IT RESOVED Nageezi Chapter hereby resubmits to Navajo ARPA Office and Navajo Department of Justice, the listing of families needing Electrical Powerline to include House wiring for these family homes (exhibit list and letter attached), in Chaco Canyon-Escavada Region of Nageezi Chapter, with hopes of acceptance, so Powerline and House Wiring projects can continue to proceed toward approval and construction.

RE: NNDOJ REQUESTING CLARIFICATION ON FAMILIES ON CHACO/ESCAVADA POWERLINE AND HOUSEWIRE

Dear Ms. Hendersen;

My name is Ervin Chavez, Nageezi Chapter President and Acting Community Service Coordinator. When we compiled the ARPA Chaco/Escavada Powerline packets for CD Danny Simpson, we had attached the list of names of families currently living in the Chaco Canyon and Escavada region of Nageezi Chapter needing electricity. All of the families living in this region are not employed and for those who are employed, have to drive up to 150 miles round trip to work at hotels, restaurants or local school. Of the one employed, most just get paid minimum wages. We strongly feel 100% of the families would qualify for assistance under the ARPA funds.

From the list, that I attached, there are 24 structured houses, 20 houses needing house wiring, eight (08) mobile homes with seven (07) mobile homes needing meter poles with electrical boxes. If you need further clarification, please contact me directly.
