RE: *CJY-64-23 An Action Relating to the Naabik'iyáti' Committee and Navajo Nation Council; Approving the Navajo Nation Fiscal Recovery Fund Delegate Region Project Plan for Honorable Carl R. Slater's Delegate Region (Chapters: Tsaile/Wheatfields, Lukachukai, Round Rock, Tsé Ch'izhí, Rock Point)*

Dear Speaker Curley,

I am pleased to sign into law this resolution CJY-64-23 approving the Fiscal Recovery Funds Delegate Regional Project Plan for Honorable Slater's Delegate Region in the amount of \$5,200,386.

My Administration supports the plans of these Chapters who have worked very hard to put together their Regional Plans and is working very closely with the Fiscal Recovery Fund Office to ensure that these funds are put to use. As such, when Chapters are running into roadblocks in expending their Fiscal Recovery Funds and the roadblock is coming from the Executive Branch, I encourage them to reach out to the Office of the President and Vice President and inform my office of the roadblock and we will work to overcome those roadblocks.

I do want to take the moment to express my concern that any amendments to the Regional Plans must be approved by the Council. In addition, the prior Navajo Nation Council has set the expectation that Fiscal Recovery Funds be encumbered by June 30, 2024. This deadline is not far off. As a construction expert, I know that there are unpredictable factors that can prevent even the best of plans from moving forward on the proposed timeline. We should be designing systems that are flexible, accountable, and transparent. We do not currently have that system and I look forward to working with you and the entire Council to improve the Navajo Nation systems, so we are supporting our communities to take advantage of this historic funding.

Now let's get to work!

Sincerely,

Dr. Buu Nygren, *President*

(a) Describe the Program(s) and/or Project(s) to be funded, including how the funds will be used, for what purposes, the location(s) to be served, and what COVID-related needs will be addressed:

The Lukachukai Chapter will use the funds to assist 300 households with septic cleaning. The Lukachukai Chapter will receive applications from households needing septic tank cleaning. Once households are approved, the chosen vendor will travel to the house and do the services for the community member. The funds will be used to clean out household septic tanks that are in dire need of this service. The Lukachukai Chapter will ensure that the funds expended will address public health challenges that partly caused the unequal impact on the Navajo Nation.

(b) Explain how the Program or Project will benefit the Navajo Nation, Navajo communities, or the Navajo People:

Within the Lukachukai Chapter, a high number of residents have followed Navajo Nation Covid-19 guidelines and stayed home more than ever. With this, their septic tanks filled up quicker as the family stayed safe at home. Having the septic tank cleaned, the continuance of staying safe will be easier on the family.
