Part 2. Expenditure Plan details.

(a) Describe the Program(s) and/or Project(s) to be funded, including how the funds will be used, for what purposes, the location(s) to be served, and what COVID-related needs will be addressed:

The Tse Ch'izhi Chapter will use the funds to assist 150 households with septic cleaning. The Tse Ch'izhi Chapter will receive applications from households needing septic tank cleaning. Once households are approved, the chosen vendor will travel to the house and do the services for the community member. The funds will be used to clean out household septic tanks that are in dire need of this service. The Tse Ch'izhi Chapter will ensure that the funds expended will address public health challenges that partly caused the unequal impact on the Navajo Nation.

document attached

(b) Explain how the Program or Project will benefit the Navajo Nation, Navajo communities, or the Navajo People:

Within the Tse Ch'izhi Chapter, a high number of residents have followed Navajo Nation Covid-19 guidelines and stayed home more than ever. With this, their septic tanks filled up quicker as the family stayed safe at home. Having the septic tank cleaned, the continuance of staying safe will be easier on the family.

(c) Provide a prospective timeline showing the estimated date of completion of the Project and/or each phase of the Project. Disclose any challenges that may prevent you from incurring costs for all funding by December 31, 2024 and/or fully expending funds and completing the

Program(s) or Project(s) by December 31, 2026.

This project estimates the successful completion of no less than 2 a month and will obligate the funds no later than December 31, 2024 and will fully expend the funds no later than December 13, 2026.

document attached

(d) Identify who will be responsible for implementing the Program or Project
