*RE: CMY-41-23 An action relating to the Naabik'iyáti', Committee and Navajo Nation Council; Approving the Navajo Nation Fiscal Recovery Fund Delegate Region Project Plan for Honorable Lomardo Aseret's Delegate Region (Chapters: Klagetoh, Wide Ruins, Houck, Tsé, si; ani, Nahata Dziil).*

Dear Speaker Curley,

I am pleased to sign into law this resolution CMY-41-23 approving the Fiscal Recovery Funds Delegate Regional Project Plan for Honorable Aseret's Delegate Region in the amount of \$6,265,173.00.

My Administration supports the plans of these Chapters who have worked very hard to put together their Regional Plans and is working very closely with the Fiscal Recovery Fund Office to ensure that these funds are put to use. As such, when Chapters are running into roadblocks in expending their Fiscal Recovery Funds and the roadblock is coming from the Executive Branch, I encourage them to reach out to the Office of the President and Vice President and inform my office of the roadblock and we will work to overcome those roadblocks.

I do want to take the moment to express my concern that any amendments to the Regional Plans must be approved by the Council. In addition, the prior Navajo Nation Council has set the expectation that Fiscal Recovery Funds be encumbered by June 30, 2024. This deadline is not far off. As a construction expert, I know that there are unpredictable factors that can prevent even the best of plans from moving forward on the proposed timeline. We should be designing systems that are flexible, accountable, and transparent. We do not currently have that system and I look forward to working with you and the entire Council to improve the Navajo Nation systems, so we are supporting our communities to take advantage of this historic funding.

Now let's get to work!

Sincerely,

Dr. Buu Nygren, President  
THE NAVAJO NATION

RESOLUTION OF THE  
NAVAJO NATION COUNCIL  
25<sup>th</sup> NAVAJO NATION COUNCIL - FIRST YEAR, 2023

**Part 2. Expenditure Plan details.**

(a) Describe the Program(s) and/or Project(s) to be funded, including how the funds will be used, for what purposes, the location(s) to be served, and what COVID-related needs will be addressed:

Houck Chapter is requesting to upgrade & rewire old electric house-wiring to be replaced for 15 homes. The Chapter conducted a community assessment for each home to determine old homes that need new electrical wiring, and it is a major critical factor for our elders, disabled who live in hazardous condition & could result in a fire. It is harder to find compatible materials to upgrade the house wiring to modern electrical standards. It is critical to replace electrical wiring for the older homes build in 1950 to 1990, which will require major electrical upgrade.  document attached

(b) Explain how the Program or Project will benefit the Navajo Nation, Navajo communities, or the Navajo People:

Some of these homes have years of exposure to inclement weather that took its toll on the homes. The extent of damage to the foundation & support of the home may not be entirely visible, especially upgrading electrical wiring to modern electrical materials. Without house wiring renovations to the 15 homes, the living standards decrease & potentially puts families at risk of severe health concerns, possibly homelessness if a fire destroys a house, & leaving families prone to COVID-19.  document attached

(c) A prospective timeline showing the estimated date of completion of the Project and/or each phase of the Project. Disclose any challenges that may prevent you from incurring costs for all funding by December 31, 2024 and/or fully expending funds and completing the Program(s) or Project(s) by December 31, 2026:

**APPENDIX A**

The hiring of a licensed Electrical Contractor, commencing on 12/01/24, in compliance with the Chapter's FMS Procurement Process, and completed by 09/30/26. The House Wiring Project requires a licensed Electrician to assess old wiring that are possible hazardous and may indicate the electrical wiring is bad and needs replacement.

document attached

(d) Identify who will be responsible for implementing the Program or Project:

The Chapter Manager, Administrative Assistant, with assistance from the Chapter Officials, in coordination with the Contractor who will conduct the electrical work.

document attached

(e) Explain who will be responsible for operations and maintenance costs for the Project once completed, and how such costs will be funded prospectively:

The key personnel for the project will be the Chapter Manager for project oversight & the Chapter President will provide project oversight for the technical aspects of the HW Project. The ARPA funds for the project will be entered & monitored in the MIP Financial System, & a monthly financial report.

document attached

(f) State which of the 66 Fiscal Recovery Fund expenditure categories in the attached U.S. Department of the Treasury Appendix 1 listing the proposed Program or Project falls under, and explain the reason why:

3.12 - Aid to High-Poverty Districts. Addition of basic services, such as electricity, running water & modern plumbing in the residents' homes are a top priority for the Chapter's Strategic 5-year Plan. The HW Project for the families will further obtain its long-term efforts for safe housing for our high-risk elders, disabled and young families, and will benefit one of the key areas identified by the Chapter. The 15 families will have a safe environment with the addition of removing old electrical wiring, bringing it up to modern standards, and the families quality-of-live will be significantly improved.

### RESOLUTION OF THE HOUCK CHAPTER

#### ACCEPTING AND APPROVING THE ARPA ALLOCATION IN THE AMOUNT OF \$350,000.00 FOR HOUCK CHAPTER HOUSE WIRING PROJECT, AND IMPLEMENTING THE EXPENDITURE PLANS AND REPORTING REQUIREMENTS, WITH MONITORING AND OVERSIGHT BY THE NAVAJO NATION FISCAL RECOVERY FUND OFFICE

#### WHEREAS:

1. The Houck Chapter was established pursuant to 26 N.N.C., Chapter 1, Sub-Chapter 1, Section 3(a) by the Navajo Nation Council CAP-34-98; and
2. The Houck Chapter complies with the Local Governance Act (LGA) and certified pursuant to 26 N.N.C., Section 102(B), which permits the Chapter to exercise authorities contained with 26 N.N.C., Section 103, including land administration authority; and
3. The Houck Chapter has the authority to provide for, promote, preserve and protect the health, safety and welfare of its community members; and
4. The FRF funds must be incurred by December 31, 2024, meaning the Navajo Nation must obligate FRF funds by that date, and the period of performance runs until December 31, 2026, with all funded chapter projects to be completed by that date; and
5. All Chapter Projects have major impacts on the Houck Community, for increased demands for electrical/water services, old houses need major house wiring, and bathroom additions, with many families without bathroom facilities, and unable to be in compliance with COVID-19 protocols; and
6. The Houck Chapter seeks all resources to accommodate short and long-term major needs for the community related to infrastructure development and have listed the ARPA House Wiring Chapter Project, in compliance with CJN-29-22, Section 3: Delegate Regional Plan, as a project to upgrade and require old electric house-wiring to be replaced for homes within the Houck Community, and it is critical to replace house-wiring for the older homes built in 1950 to 1990, which will require major electrical upgrade; and
7. The Houck Chapter Staff conducted a community assessment to determine old homes that need new electrical wiring, and it is a major critical factor for our elders and disabled who live in hazardous conditions and could result in a house fire; and
8. Houck Chapter affirms that the Chapter will only use the awarded Fiscal Recovery Funds and implement the FRF Expenditure Plan in compliance with the ARPA Regulations, and with all applicable federal and Navajo Nation laws, regulations and policies.

#### NOW, THEREFORE, BE IT RESOLVED:

1. The Houck Chapter hereby accepts and approves the ARPA Allocation in the amount of \$350,000.00 for Houck Chapter House Wiring Project, in compliance with the reporting requirements, with monitoring and oversight by the Navajo Nation Fiscal Recovery Fund Office.

2. The Houck Chapter will only use the awarded Fiscal Recovery Funds in compliance with the ARPA Regulations, and with all applicable federal and Navajo Nation laws, regulations and policies.
