*RE: CMY-41-23 An action relating to the Naabik'iyáti', Committee and Navajo Nation Council; Approving the Navajo Nation Fiscal Recovery Fund Delegate Region Project Plan for Honorable Lomardo Aseret's Delegate Region (Chapters: Klagetoh, Wide Ruins, Houck, Tsé, si; ani, Nahata Dziil).*

Dear Speaker Curley,

I am pleased to sign into law this resolution CMY-41-23 approving the Fiscal Recovery Funds Delegate Regional Project Plan for Honorable Aseret's Delegate Region in the amount of \$6,265,173.00.

My Administration supports the plans of these Chapters who have worked very hard to put together their Regional Plans and is working very closely with the Fiscal Recovery Fund Office to ensure that these funds are put to use. As such, when Chapters are running into roadblocks in expending their Fiscal Recovery Funds and the roadblock is coming from the Executive Branch, I encourage them to reach out to the Office of the President and Vice President and inform my office of the roadblock and we will work to overcome those roadblocks.

I do want to take the moment to express my concern that any amendments to the Regional Plans must be approved by the Council. In addition, the prior Navajo Nation Council has set the expectation that Fiscal Recovery Funds be encumbered by June 30, 2024. This deadline is not far off. As a construction expert, I know that there are unpredictable factors that can prevent even the best of plans from moving forward on the proposed timeline. We should be designing systems that are flexible, accountable, and transparent. We do not currently have that system and I look forward to working with you and the entire Council to improve the Navajo Nation systems, so we are supporting our communities to take advantage of this historic funding.

Now let's get to work!

Sincerely,

Dr. Buu Nygren, President  
THE NAVAJO NATION

RESOLUTION OF THE

Other Comments: The Appendix A - expenditure plan previously listed the FRF funding period as 12/01/24 to 09/30/26 and then a handwritten correction was made changing the start of the funding period to 12/01/22. However, Section 2(C) of the expenditure plan provides the project will commence 12/01/24. Please note that per CJN-29-22, chapters must obligate their FRF by 9/30/24.

We have modified the requested expenditure code (several identified) to 1.14, Other Public Health Services to make it consistent with other previously approved Projects.

Additionally, the expenditure plan provides that the chapter and the FRF Office will have administrative oversight over the project, but DOJ recommends that the administrative oversight entity be DCD.

**Part 2. Expenditure Plan details.**

(a) Describe the Program(s) and/or Project(s) to be funded, including how the funds will be used, for what purposes, the location(s) to be served, and what COVID-related needs will be addressed:

Houck Chapter is requesting funding for the construction of twenty (20) bathroom additions for the families identified through a chapter community assessment. This funding will cover building materials and labor costs. The BR addition will be an 8x12 structure, either attached to an existing house or built within the home (ADA compliance). Through this project, OEH/IHS and NTUA will provide coordination and collaboration to provide domestic water system to the 20 families currently requesting BR additions within the Houck Community. The FRF will be used to respond to COVID-19 public health emergency or its negative economic impacts to assist families.  document attached

(b) Explain how the Program or Project will benefit the Navajo Nation, Navajo communities, or the Navajo People:

Houck Chapter has long recognized the need to address the lack of water and electrical services in the Houck Community. With 41% of the Chapter's household without water & electricity, this creates a major threat to health and safety. Basic plumbing, including toilet and bath facilities are at the core of modern hygiene practices. NTUA supplies & extends water, electricity, natural gas, wastewater treatment & telecommunication services to homes & businesses through the 27,000 sq. mile of the  document attached

(c) A prospective timeline showing the estimated date of completion of the Project and/or each phase of the Project. Disclose any challenges that may prevent you from incurring costs for all funding by December 31, 2024 and/or fully expending funds and completing the Program(s) or Project(s) by December 31, 2026:

**APPENDIX A**

The goal of the Chapter is to construct 20 bathroom additions over a 3-year period, commencing 12/01/24 & completion in September 2026. This will be done in 2-phases with 10 units in the 1st phase & 10 units in 2nd phase. This will be an excellent example of cooperation & coordination between the 3 entities, Houck Chapter, OEH & NTUA. The challenge are how NTUA & OEH will work with multiple chapters who need these services.

Yá'á't'ééh/Hello:

We are inviting you to take part in a research study being conducted by the University of Arizona titled as: *Wind Erosion Risk on Navajo Nation Lands of the Colorado Plateau*. The University of Arizona, the Navajo Nation Department of Fish & Wildlife, and the U.S. Geological Survey Southwest Biological Science Center would like to understand your perspectives and concerns on wind erosion risk to Navajo natural and cultural resources from dust and sandstorms. Wind erosion is a natural process by which wind moves soil from one location to another, generating dust and sandstorms that can cause damage to humans and the environment. Through this study, we aim to conduct a community survey and wind erosion risk assessment to better understand wind erosion risk to community members and residents on Navajo lands.

Your participation in this community survey will be greatly appreciated and you will be able to enter a raffle for a chance to win a package of native seeds and Navajo traditional foods. This survey will take no more than 15 minutes to complete. The results from this survey will be reported as anonymous summaries and your personal information will not be shared. To be eligible to participate in this survey, you must be: 1) 18 years or older and 2) a current resident and/or community member on the Navajo Nation for at least the past 2 years.

Thank you for your time and interest in our survey. This survey will be available from January 2023 to April 2023. To access this survey, you can visit online via the link and/or scan the QR Code (below). If you would like an electronic or paper copy version of this survey to fill out, please contact the PI (see below). Paper copy surveys will be postmarked and mailed to research participants upon request. If you know of others who might want to take it, please forward them this letter and flyer (attached), or our contact information to them or let us know who we should contact. Should you have any questions or need more information regarding this survey please contact Principal Investigator, Marquel Begay at 928-255-9356 or [mabegay@email.arizona.edu](mailto:mabegay@email.arizona.edu).

Sincerely,

*Marquel Begay*
