RE: CMY-38-23 An action relating to the Naabik'iyáti', Committee and Navajo Nation Council; Amending CAP-10-23, The Navajo Nation Fiscal Recovery Fund Delegate Region Project Plan for Honorable Helena Nez Begay's Delegate Region (Chapters: Coppermine, K'ai'bii'tó, LeChee, Tonaleal/Red Lake, Bodaway/Gap) to include additional projects for this Delegate Region

Dear Speaker Curley,

I am pleased to sign into law this resolution CMY-38-23 approving the Fiscal Recovery Funds Delegate Regional Project Plan for Honorable Begay's Delegate Region in the amount of \$4,003,468.00.

My Administration supports the plans of these Chapters who have worked very hard to put together their Regional Plans and is working very closely with the Fiscal Recovery Fund Office to ensure that these funds are put to use. As such, when Chapters are running into roadblocks in expending their Fiscal Recovery Funds and the roadblock is coming from the Executive Branch, I encourage them to reach out to the Office of the President and Vice President and inform my office of the roadblock and we will work to overcome those roadblocks.

I do want to take the moment to express my concern that any amendments to the Regional Plans must be approved by the Council. In addition, the prior Navajo Nation Council has set the expectation that Fiscal Recovery Funds be encumbered by June 30, 2024. This deadline is not far off. As a construction expert, I know that there are unpredictable factors that can prevent even the best of plans from moving forward on the proposed timeline. We should be designing systems that are flexible, accountable, and transparent. We do not currently have that system and I look forward to working with you and the entire Council to improve the Navajo Nation systems, so we are supporting our communities to take advantage of this historic funding.

Now let's get to work!

Sincerely,

Dr. Buu Nygren, *President*
THE NAVAJO NATION

Subject: Questions from LeChee Chapter

Good afternoon Navalyn,

In receipt of your email from Delegate Paul Begay's LDA, Jerry Williams. Thanks for sending out the email to him requesting additional information on the approval for our chapter.

Here are my responses to the four questions you had asked.

1. A community needs assessment based on multi generation homes, with overcrowding. A lot of our residents here in LeChee were affected by COVID 19 and had to leave their employment and homes off the reservation, then when they moved home there was no housing available for them to move their young families into, also they had to move back into their parents place or live with grandparents, and take a lower salary position to make monthly ends meet. We have an overcrowded household living together, ie. 2 bedrooms with 2 families of more than 6+ people.
2. Our request is to purchase module homes and get them placed within the community where they have infrastructure set up already. 3 bedroom home with a 704+ square foot. *(This information was provided to you in the original proposal we turned in)*
3. The City of Page is near by which we will make a comparison to.
 - a. The 3 bedroom home is estimated at \$250k with the land/taxes - City of Page
 - b. 3 bedroom modular home \$91,000.00 + infrastructure setup \$3,000.00 - Mobile home vendor.
 - c. To build a 3 bedroom house in LeChee with manpower/infrastructure estimated by square footage of 704 feet = \$175k.
4. I am not sure what these programs are and never research them. I have never researched them because the chapter assumed that during our presentation from Tom Platero the ARPA funding was made available to all chapters to assist the

community members based on the impact of COVID 19 Pandemic. During his presentation he did not mention we need to look for other funds that could help the chapters. This is the first time this question has come up.

If you have additional questions please respond to this email thread. You also did not provide a phone number within your email.
