Part 2. Expenditure Plan details.

(a) Describe the Program(s) and/or Project(s) to be funded, including how the funds will be used, for what purposes, the location(s) to be served, and what COVID-related needs will be addressed:

The Upper Fruitland Community Cemetery will provide a site where many loved ones will be interred especially those affected from the COVID-19 Pandemic. The Upper Fruitland community and Navajo Nation were severely impacted from the pandemic having saturated their Rose Garden cemetery to capacity and requiring the construction of a new site. The land has already been withdrawn, surveyed, required archaeological studies completed and is basically shovel ready for continuing development. The project will address the deficiencies connected to the outbreak of the COVID-19 on the Navajo Nation. The governmental services will facilitate sustainable economic and social growth. document attached

(b) Explain how the Program or Project will benefit the Navajo Nation, Navajo communities, or the Navajo People:

Most rural communities on the Navajo Nation lack access to governmental services and COVID-19 impeded these operations. The Navajo Nation experienced substantially greater rates of COVID-19 mortality compared to other racial and ethnic groups. Those living on the Navajo Nation are vulnerable to the virus, due to the high rates of poverty, over crowded living conditions and limited access to high-quality medical facilities. This project will assist and directly benefit the Navajo people. document attached

Disclose any challenges that may prevent you from incurring costs for all funding by December 31, 2024 and/or fully expending funds and completing the Program(s) or Project(s) by December 31, 2026:

Based upon the funding, the project completion date will be December 31, 2026 with all funds being incurred before December 31, 2024. The Navajo Nation Budget forms are attached and illustrate the phase goals per quarter of funding period.
